Upon the conclusion of the Administration of the Oath of Office proceedings, City Clerk Maloney announced that the Members of the Lawrence School Committee would be conducting its “Organizational Meeting” in public session at its offices at 237 Essex Street in Lawrence, Massachusetts.

The Organizational Meeting of the Lawrence School Committee being conducted pursuant to Section 5.2 of the Lawrence City Charter which provides in part as follows:

5.2 Organization. Officers.

The school committee shall meet at seven o'clock in the evening on the first secular day in January in each even numbered year. After a majority of the school committee members elect have been sworn they shall be called to order by the mayor, or in his absence by the member present senior in service, who shall preside. The school committee shall then elect, from its membership, by roll call vote, a vice-chairman of the committee. Four votes shall be necessary for election. No other business shall be in order until the school committee has thus been organized.

City Clerk Maloney then called to order the “Organizational Meeting” of the Members of the Lawrence City Council pursuant to Section 3.2 of the Lawrence City Charter which requires the election of the President and

[Tuesday, January 2, 2018]

Vice President of the City Council by its Members and provides in part as follows:

3.2 Organization. Officers.

The city council shall meet a seven o'clock in the evening on the first secular day in January of each even numbered year. After a majority of the councillors elect have been sworn they shall be called to order by the city clerk, or in the absence of the city clerk by the member present senior in years of service, who shall preside. The city council shall then elect, from its membership, by separate roll call votes, a president and a vice-president. Five votes shall be necessary for election. No other business shall be in order until the city council has thus been organized.

City Clerk Maloney designated the seats of each of the Lawrence City Council Members by random selection whereby each Council Member selected a "playing card" from a deck containing nine (9) cards and assigning each of the Council Members a seat from 1 to 9 to right of the City Clerk. The result of this manner of selection resulted in seating the Council Members to the right of the City Clerk as follows:

Doc. 53B/17: Approved

**Doc. 264/17: Proposed Ordinance to Regulate Mobile Food Vendors – Brian T. Corrigan,
Assistant City Attorney – Public Hearing held – Tabled**

At the request of Council President Vasquez, the City Clerk read the public hearing notice regarding the above as published. Upon the conclusion of the Clerk’s reading of the public notice, Council President Vasquez opened the public hearing portion of the proceedings and invited anyone who wished to be heard to present themselves before the Council Members.

Assistant City Attorney Brian Corrigan addressed the City Council about the history of the proposed ordinance and the public safety issues food trucks pose. He described the process of licensing “food truck vendors” discussing its provisions.

[Tuesday, January 16, 2018]

Upon no further discussion or comment offered by anyone present, Council President Vasquez closed the public comment portion of the proceedings and called upon the Council Members present to offer comment or discussion.

Upon being granted the floor, Council Vice President Rodriguez presented a motion to approve the proposed ordinance with an amendment that would remove the “Mobile Food Vendor Committee” from the review process as provided in the proposed ordinance striking the provision from the draft presented for consideration. He stated that the “Food Vendor Committee” should not be involved with the revocation and appeal process when a food truck vendor is contesting a suspension or loss of their license. The motion was seconded by Councilor Reyes.

Upon being granted the floor, Council Vice President Rodriguez posed questions to Assistant City Attorney Corrigan concerning the provision that engages the “Mobile Food Vendor Committee” in the license suspension appeal process as provided in the draft ordinance. Assistant City Attorney Corrigan explained that the provision referenced by Vice President Rodriguez may be amended to serve the needs or requirements that the license will provide to the City Council, public safety personnel and all concerned. A discussion ensued among the Council Members concerning the provisions pertaining to the “Mobile Food Vendor Committee” as provided in draft Sec.5.53.130.

Upon being granted the floor, Councilor Delacruz posed questions to Assistant City Attorney Corrigan about the recycling of refuse that operating a mobile vendor location entails and suggested a provision to require trash removal by mobile food vendors be drafted and included in the ordinance.

Upon being granted the floor, Councilor Laplante asked if the hours and location of operation of mobile food vendors would be restricted to reduce noise and congestion of residents and to allow local restaurants to maintain its patrons near the area of operation of a mobile food vendor. Attorney Corrigan stated that mobile food vendors tend to operate near the location of liquor establishments and usually conduct business sometime near the end of daily hours of local restaurants and operate into the early morning hours. He suggested the ordinance could

[Tuesday, January 16, 2018]

make provision that limit the hours of mobile food vendor operation in a manner that will not adversely affect area restaurant businesses. He also suggested that there are provisions in the draft ordinance that limit the hours of mobile vendors near residential areas. Councilor Laplante offered an amendment to the proposed ordinance that would require mobile food vendors to close if restaurants in the area of operation are closed and requested Council Vice President Rodriguez to accept the proposed amendment as part of the main motion to approve as presented. Council Vice President Rodriguez stated that he accepts the proposed amendment offered by Councilor Laplante as a “friendly amendment” as an additional amendment to the proposed ordinance.

Upon being granted the floor, Councilor Payano posed questions to Assistant City Attorney Corrigan concerning the practicality of the restriction imposed by the proposed ordinance that would prohibit a mobile food vendor from operating within 300 feet of a dwelling. He explained that many of the mobile food vendors conduct business from trucks that are parked around the Campagnone Common which has residents directly across the street no more than thirty feet away. He also stated that the situation is similar to any park or playground that borders a City street because houses are immediately across the street near many of the parks and playgrounds. He pointed out that the 300 foot prohibition would not allow any mobile food vendor to conduct business or sell food near any park or playground in the City that has a residential area nearby. He suggested that the impact of the 300 foot prohibition may result in banning all mobile food vendors from operating in the City of Lawrence. A discussion ensued between Councilor Payano and Council Vice President Rodriguez regarding the 300 foot restriction against operating a mobile food truck within that zone near residents. Councilor Payano presented a motion to amend the 300 feet restriction to 150 feet and offered it as a “friendly amendment” to the main motion to approve the measure as presented by Council Vice President Rodriguez. Council Vice President Rodriguez stated that he accepts the proposed amendment offered by Councilor Payano as a “friendly amendment” as an additional amendment to the proposed ordinance.

Council President Vasquez informed the Council Members that the City of Lawrence has multiple representative districts covering business area locations which compel the participation and attention of those

[Tuesday, January 16, 2018]

Council Members who serve their constituents. He suggested that the political reality poses an additional challenge for the implementation and enforcement of the ordinance once approved.

Upon being granted the floor, Councilor Laplante suggested that it may be required that he remove the amendment subject to his “friendly amendment” explaining that if an alcohol establishment is in the area or location where a food truck vendor operates may be prohibited from operating if the establishment closes at the time regulated by the Licensing Commission or by State Law. He stated that mobile food vendors sell food to the patrons who are leaving liquor establishments after they close and if the establishment is closed his amendment would require the food truck vendor to close as well defeating the intention and ability of the food truck vendor to serve its target customers.

Upon being granted the floor, Councilor DePena asked about the number of food truck vendors operating each year in the City of Lawrence stating that regardless of the best intentions of the proposed ordinance that nothing will be accomplished without enforcement of its provisions.

Upon being granted the floor, Councilor Delacruz stated that Food Truck Vendors make most of their money after night clubs close because they sell food to the night club vendors as they are leaving the establishment.

Upon being granted the floor, Council Vice President Rodriguez suggested that adopting the “closing time” option presented by Councilor Laplante might not be workable because it would require food truck vendors to close when the night clubs or other establishments close cutting off the ability of the food truck vendors to serve food to the patrons of the establishments which they are targeting. He suggested that the “closing time” provision be amended to require mobile food vendors to close during one hour after the establishments close on weekdays and two hours after the establishments closed on Saturday.

Upon being granted the floor, Councilor Laplante stated that the importance of input of law enforcement on this matter is very important because those enforcing the provision being suggested, discussed and potentially adopted is the responsibility of the enforcement authorities. Councilor Laplante suggested that it may benefit the

[Tuesday, January 16, 2018]

Council Members to table the item. Councilor Laplante then withdrew his “friendly amendment” which Council Vice President Rodriguez agreed.

Upon being granted the floor, Councilor Payano inquired about noise complaints that may have been received. In response, Council President Vasquez informed the Council Members that most complaints were generated near the Park Street area.

Upon being granted the floor, Councilor Reyes agreed with Councilor Laplante and stated that the Council Members might benefit from tabling the item at this time in order to review and consider the amendments presented and other amendments that may be needed.

Upon being granted the floor, Councilor Payano also stated the measure should be tabled and suggested the ordinance might be drafted to provide for “vending zones” rather than providing general restrictive provision. Assistant City Attorney Corrigan suggested that a workable approach may to be to provide “vendor zones” and to also provide “restricted zones” where operation would be prohibited clearly referencing locations where operation is allowed and not allowed.

Upon being granted the floor, Councilor Laplante moved to “Table” the measure which was seconded by Councilor Reyes and unanimously [9-0] approved by Council Members present.

Doc. 399/17: Lawrence Fire Department-Petition to Adopt G.L. c. 148, s. 26 Automatic Sprinklers-Brian T. Corrigan, Assistant City Attorney On behalf of Chief Brian Moriarty – Public Hearing held – Approved

At the request of Council President Vasquez, the City Clerk read the public hearing notice regarding the above as published. Upon the conclusion of the Clerk's reading of the public notice, Council President Vasquez opened the public hearing portion of the proceedings and invited anyone who wished to be heard to present themselves before the Council Members.

Assistant City Attorney Corrigan introduced the measure which would require automatic sprinkler for buildings with four or more units which would be required for newly constructed buildings and buildings subject to substantial rehabilitation.

Upon no further discussion or comment offered by anyone present, Council President Vasquez closed the public comment portion of the proceedings and called upon the Council Members present to offer comment or discussion.

Upon being granted the floor, Councilor Abdoo presented a motion to approve measure which was seconded by Councilor Reyes.

Upon being granted the floor, Councilor Payano inquired about the reason for targeting four or more units to apply. Councilor Reyes stated that she also has the same question as presented by Councilor Payano. Assistant

[Tuesday, January 16, 2018]

City Attorney stated that the required installation of automatic sprinklers would apply to newly constructed buildings with four or more units due to the applicable provision of State Law which is presented for adoption by the City of Lawrence by vote of the City Council as requested.

Upon being granted the floor, Councilor Abdoos posed questions to Lawrence Fire Chief Brian Moriarty concerning the Statute's requirement to apply to include four or more units which Fire Chief Moriarty discussed and explained.

Upon being granted the floor, Councilor Delacruz asked about the total number of buildings in the City that have four or more units. Fire Chief Moriarty stated that the law does not apply to existing construction but would only have to be used to require automatic sprinklers to new and substantial construction of building with four or more units.

Council President Vasquez inquired of the Council Members if any Members would propose to reduce the number of units the measure would apply from four to three or more units. In response, Assistant City Attorney Corrigan stated the City may require the law apply to less than four units but varying the State Law would require a Home Rule Petition. Attorney Corrigan suggested that if the measure were adopted by the City Council and it was later determined that its implementation was not feasible for any reason then a Home Rule Petition would be an option to be considered. He stated that the safety measure provided by the existing State Law is based upon standards and provisions reviewed and considered by State Public Safety personnel which may or may not sufficiently serve the City of Lawrence safety provision which could be considered and addressed that were determined at any time.

Upon no further discussion, comment or inquiry offered by the Council Members present, Council President Vasquez closed the discussion portion of the proceedings and called upon the Members present to consider the matter presented.

IV: Communication from Mayor, City Officials & City Attorney:

Doc. 15/18: Homelessness Presentation – Vilma Martinez-Dominguez, Planning Office – Withdrawn

Upon being recognized, Vilma Martinez Dominguez, Community Development Director, presented the item addressing the City Council. She introduced Anil DaCosta, the Homeless Coordinator for the City of Lawrence, who addressed the City Council and presented a power-point concerning homelessness.

Upon being granted the floor, Councilor Abdoo asked Coordinator DaCosta to provide the Council Members with a copy of the five year plan to address homelessness in the City of Lawrence which was referenced in the presentation.

Upon being granted the floor, Councilor Laplante reviewed the highlights of the presentation discussing particulars about the percentage of current homelessness population being from Lawrence. Coordinator DaCosta confirmed that more than 90% of the homeless population currently in Lawrence are from the City of Lawrence. Councilor Laplante discussed the source of the definition of “homelessness” and “residence” in regard to the manner of identifying the target population and applicable services. Mr. DaCosta discussed and explained that services are expanded and provided to homeless individuals in the City of Lawrence as a means to prevent homelessness from occurring – he cited the apartment voucher program as an example. Mr. DaCosta stated that homelessness will always exist stating that the his efforts and the efforts of those responsible to address the matter are making strides to reduce the effects of homelessness both upon the target population but also among all who reside or visit Lawrence.

Upon being granted the floor, Councilor Payano discussed several aspects of addressing homelessness presented by Coordinator DaCosta. Councilor Payano posed questions about the manner which success is measured by the Homeless Coordinator and the efforts of the City personnel addressing the issue. Mr. DaCosta explained the various sources of homeless statistics and the source of statistics often derived from public service

[Tuesday, January 16, 2018]

agencies, assistance programs and directly reflected in the number of people living in the various homeless shelters.

Upon being granted the floor, Councilor Delacruz asked about other measures available to provide positive social adjustment such as employment and education to avert homelessness. She discussed the displacement of homeless individuals in the various areas of the City.

Director Martinez Dominguez informed the Council Members about the broad and complex spectrum that homelessness presents which needs to be addressed.

Upon being granted the floor, Councilor Levy suggested coordinating activities and services with other communities. Coordinator DaCosta stated that efforts are already in place and coordinated with other communities applying a variety of services and measures. He stated that Lawrence resources are applied differently than they are applied in other communities in order to specifically address issues that are particular to Lawrence.

Upon being granted the floor, Council Vice President Rodriguez asked about specific plans to address homelessness which Coordinator DaCosta reference a variety of programs used in Lawrence and those that are not available in Lawrence such as the “needle distribution program”. Coordinator DaCosta emphasized that coordinating with other communities does not work for the benefit of Lawrence because other area communities do not have the same or similar services that are available in Lawrence. Council Vice President Rodriguez discussed available grants and management of grants offered and available.

Director Martinez Dominguez informed the City Council Members about applicable standards each grant requires, stating that the funds are directed by the Urban Development (HUD)

Upon being granted the floor, Councilor Payano re-viewed the plans that are in place and asked Mr. DaCosta how many shelters are in Lawrence, which is three to house approximately 80 beds. Councilor Payano also discussed the manner by which success is measured.

Upon being granted the floor, Council Vice President Rodriguez posed additional question about homeless shelters in Lowell and discussed availability of shelter to Lawrence homeless people.

[Tuesday, January 16, 2018]

Director Martinez Dominquez described and discussed how homeless people are entered into systems to address homelessness.

Upon conclusion of inquiry and discussion of the matter presented Council Vice President Rodriguez moved to withdraw the item from the Council Agenda which was seconded by Councilor Reyes and unanimously [9-0] approved by Council Members present.

V. APPROPRIATIONS-ORDERS-RESOLUTIONS:

Council President Vasquez called the items listed below to the attention of the Council Members as appearing on the Agenda which were each referred as indicated.

**Doc. 16/18: Resolution – Melanie Resto, Superintendent, Sicily – American Cemetery –
Counc. Laplante – Ref. to Ord. Cmt.**

**Doc. 12/18: Appropriation Transfer Request – From: Retained Earnings to Special Project Fund for the
Procurement of Equipment and Projects – [3,270,000.00] – Brian Peña, Water and Sewer Commissioner –
Ref. to Budget & Finance Cmt.**

**Doc. 10/18: Office of the City Attorney - Prior Fiscal Year's Unpaid Bills: Theodore O'Brien, Arbitrator
[1,200.00]-Charles D. Boddy, Jr., City Attorney – Ref. to Budget & Finance Cmt.**

**Doc. 13/18: Petition for approval of expenditures pursuant MGL c. 44, s.31-
[REQUEST TO CONSIDERED AN EMERGENCY MEASURE]
Carlos Jaquez, Director of Public Works- Approved**

Upon being recognized, Council Vice President Rodriguez presented a motion to suspend the Rules of the City Council and declare the item presented as an emergency for the purpose of presenting the item for consideration of immediate action to be taken by the Council Members present. The motion was seconded by Councilor Reyes and unanimously [9-0] approved by the Council Members present.

[9:25 – Councilor DePena left the City Council Chamber and did not return]

Public Works Director Carlos Jaquez explained the necessity of requesting the item be considered an emergency measure being necessary in order to address heating of public buildings and facilities that have resulted from the recent occurrence of severe cold temperatures over the last four to six weeks.

[Tuesday, January 16, 2018]

Upon being granted the floor, Councilor Delacruz asked if the funds subject to the petition will be used for snow removal to which Director Jaquez stated the use of the funds subject to the petition is limited by statute and cannot be used for snow removal.

Upon being granted the floor, Council Vice President Rodriguez expressed concern that there wasn't an amount requested for allocation and asked if an amount can be estimated to provide the Council Members with an amount that can be relied upon initially even if amended later. Director Jaquez stated the initial vote would only be a vote addressing the emergency status required by the statute to allow the City Public Works Department to then invoke the statute to expend funds as needed under the emergency provision.

Upon being granted the floor, Councilor Laplante agreed and informed the Council Members that the statute is structure in this manner to allow municipalities to complete repairs as they arise on an emergency basis under the supervision of the Administration with a report to the City Council at a later time.

Upon inquire of Councilor Payano, Director Jaquez explained the process to have City Council to grant authority to overspend its allocation.

Council President Vasquez read the provision of G.L. c. 44 sec. 31 into the record citing the provision that authorizes the City Council to grant an emergency status and allow for emergency expenditure of funds beyond the amount allocated by the municipal budget. A discussion ensued between Councilor Payano and Council President Vasquez regarding the amount that may be expended.

Upon being granted the floor, Council Vice President Rodriguez inquired about the weather events and cold temperatures recently occurring resulting in the necessity to complete repairs.

Upon no further discussion, comment or inquiry offered by the Council Members present, Council President Vasquez called upon the Members present to consider the matter presented.

Upon a motion to approve the measure presented by Councilor Rodriguez, as seconded by Councilor Reyes, the Council Members present voted unanimously [8-0] to declare the item presented an emergency pursuant

[Tuesday, January 16, 2018]

to the provision of G.L. c. 44, sec.31 [Councilor DePena being absent from the Council Chamber at the time the vote was called and recorded].

XI. TABLED MATTERS:

Doc. 388/17: Office of Planning and Development -Emergency Solution Grant [136,695.00]-Susan Fink, Manager of Financial & Adm. Serv.-Budget and Finance Cmt. – Approved

Council Vice President Rodriguez presented a motion to remove the item from the table which was

[Tuesday, January 16, 2018]

seconded by Councilor Reyes and unanimously approved by roll call vote as follows: Yes-7; No-1; Absent-1

Council Vice President Jeovanny Rodriguez - Yes
 Councilor Brian DePena - Absent
 Councilor Maria De La Cruz - Yes
 Councilor Pavel Payano - Yes
 Councilor David Abdoo - Yes
 Councilor Marc Laplante – No
 Councilor Anna Levy - Yes
 Councilor Estela Reyes - Yes
 Council President Kendrys Vasquez – Yes

Council President Vasquez provided the Council Members with a legislative history of the item stating that Councilor Laplante presented a motion to deny the approval of the grant at the Council Session on December 5, 2017 which was duly seconded and is now pending [Note: Councilor Laplante was the City Council Vice President at that time]. He stated further that a “yes vote” would result in denying the approval of the grant if called during this session. The motion presented for consideration remains subject to the proceedings before the Council Members this evening.

Upon being recognized, Chief of Staff Eileen Bernal asked the Council to be considerate to the City personnel who are present at the request of the Council Members specifically to address the item which was tabled at a prior session of the City Council.

At the direction of Council President Vasquez, Susan Fink, Manager of Financial and Administrative Services, addressed the Council about the manner which the grant fund would be used to assist Lawrence homeless to obtain housing through available private housing and landlords.

Upon being recognized, Anil DaCosta, Homeless Coordinator for the City of Lawrence, presented information to the City Council Members concerning the value of the programs that the grant funds will have on for the City of Lawrence.

Upon being granted the floor, Council Vice President Rodriguez posed questions about the current plan to use the funds available through the grant to provide first and last month rent payments for homeless. He also inquired about the manner of qualifying grant to assure the funds reach the homeless people it purports to target.

[Tuesday, January 16, 2018]

Coordinator DaCosta stated that the guidelines provided by the funding agency would be used to identify its recipients.

Upon being granted the floor, Councilor Payano reviewed the information provided by Manager Fink commenting that the funds provided would benefit the City of Lawrence.

[10:00 p.m. - Councilor Abdo presented a motion to conduct Council business past 10:00 p.m. which was duly seconded by Councilor Reyes and unanimously [8-0] approved by the Council Members present [Councilor DePena being absent from the Council Chamber at the time the vote was called and recorded]]

Upon continuing, Councilor Payano inquired about the manner by which a qualified recipient would access the funds available.

Upon being granted the floor, Councilor Delacruz asked if someone if someone recently released from jail would qualify as “homeless” and meet the eligibility criteria. Coordinator DaCosta explained that individuals recently released from incarceration would not meet the definition as “homeless” and informed the Council Members that there are programs currently in place to serve inmates who are released from incarceration.

Upon being granted the floor, Councilor Levy asked about the manner by which qualified applicants would access funds through the grant and how they would be monitored. Coordinator DaCosta explained and discussed the standards that would be applied through the grant guidelines and requirements provided by Housing and Urban Development [hereinafter referred to as HUD].

Upon being granted the floor, Councilor Laplante informed the Council Members that the grant funds could be specifically earmarked to be applied to Lawrence homeless. Councilor Laplante withdrew his motion to deny approval of the grant entered and recorded on December 5, 2017 and moved to approve the grant presented for consideration with a condition that it require recipients to be a Lawrence resident for one year supported by documentation. The motion was seconded by Councilor Reyes.

Council President Vasquez stated that the discussion that took place on this item this evening is what is necessary to assure Lawrence residents are appropriately represented and served with funds that are being made available to address homelessness. He stated that he supports the item presented for consideration of approval

[Tuesday, January 16, 2018]

because it will clearly serve Lawrencians after learning that it will support homeless people from Lawrence which will serve the Lawrence Community.

Upon being granted the floor, Councilor Laplante further amended his motion to approve to require the homeless coordinator to provided written notice that Lawrence residents will be given preference to the funds made available by the grant.

Coordinator DaCosta informed the Council Members that that HUD anticipates and expects the funds would be made available to homeless people from Lawrence and read an e-mail from HUD confirming the ability to require the application be made available to Lawrencians.

Upon being granted the floor, Councilor Payano suggested that future grant petitions provide information such as provided this evening.

Upon being granted the floor, Council Vice President Rodriguez clarified the motion announcing that funding availability will be contingent upon the applicant being a prior Lawrence resident for a minimum of one year.

Upon being granted the floor, Councilor Delacruz inquired if the grant would provide services for young people and families who are homeless.

Upon no further discussion, comment or inquiry offered by the Council Members present, Council President Vasquez called upon the Members present to consider the matter presented.

Upon a motion to approve the grant with the contingency amendment presented by Councilor Laplante, as seconded by Councilor Reyes, the Council Members present voted unanimously [8-0] to approve the item [Councilor DePena being absent from the Council Chamber at the time the vote was called and recorded].

V. APPROPRIATIONS-ORDERS-RESOLUTIONS:

**Doc. 16/18: Resolution – Melanie Resto, Superintendent, Sicily-Rome American Cemetery–
Counc. Laplante – Ord. Cmt. – Presented**

Upon invitation of Council President Vasquez, Councilor Laplante discussed the content of the Resolution presented for the edification of the Council Members present. Councilor Laplante read the names of the soldiers honored in the Resolution stating that each of the soldiers were from Lawrence, served in World War II and are buried or memorialized at the Sicily-Rome Cemetery in Nettuno, Italy. The following are the names of the deceased soldiers named in the Resolution:

WHEREAS: Among those buried are eight soldiers and airmen from Lawrence including Pvt. John Benjamin, Pvt. Paul Bongiorno, Pvt. Larry Conti, Sgt. Carmine Indeglia, Pfc. Louis Katze, Pvt. Harry Ludski, Pvt. Edward Maurice, Pfc. Albert Saulervicius, along with five whose names are engraved on the “Tablets of the Missing” including Tech 5 Clayton Conover, TSgt. John Gregory, SSgt. Victor Lemieux, Pvt. John Petralia, and Pfc. Saverio Stanganeli;

Upon conclusion, Councilor Laplante thanked those who assisted in preparing this item and the Council Members for allowing the opportunity to present this matter through this Resolution.

At the request of Council President Vasquez, Councilor Reyes presented the report of the Ordinance Committee recommending a public hearing on the measure presented. The report was presented in the form of a motion to order a public hearing which was seconded by Council Vice President Rodriguez.

Upon being recognized, Councilor Laplante asked City Clerk Maloney to clarify the record and whether or not the same or similar measure is presently before the City Council as referenced in the document title. In response, City Clerk Maloney informed the Council Members that the same item is presently tabled as Document 221/2017 and appears in the list of tabled items on the City Council Agenda presented this evening.

[Tuesday, February 6, 2018]

Upon being granted the floor, Councilor Reyes presented a motion to withdraw Document 404/17 from the City Council Agenda and to retain Document 221/2017 as “tabled”. The motion was seconded by Councilor Laplante and unanimously [9-0] approved by Council Members present.

Doc. 404/17: Withdrawn

**Doc. 406/17: Arlington Terrace–To be Approval as a Public Way –
Council Pres. Vasquez – Ord. Cmt. – Tabled**

Council President Vasquez informed the Council Members and directed their attention to an email from City Attorney Boddy on this item and Doc. 407/17 Hazel Place stating that the approval of both ways as “public ways” entail significant and required legal process more than simply providing advanced public hearing notice by publication and suggested that this item and Doc. 407/17 should be “tabled” to allow the City Attorney to provide the details necessary to assure the final approval is lawfully obtained.

Upon being recognized, Council Vice President Rodriguez presented a motion to “Table” the item presented which was seconded by Councilor Payano and unanimously [9-0] approved by Council Members present.

Doc. 406/17: Tabled

Doc. 407/17: Hazel Place – To be Approval as a Public Way – Counc. Jeovanny Rodriguez and Mayor Dan Rivera – Ord. Cmt. – Tabled

Council President Vasquez referred to his informational discussion presented to the Council Members regarding the necessity of following the process recommended by City Attorney Boddy on this item as we;;.

Upon being recognized, Councilor Reyes presented a motion to “Table” the item which was seconded by Councilor Payano and unanimously [9-0] approved by Council Members present.

to approve the petition which was seconded by Councilor Payano and unanimously approved by the Council Members present [9-0].

Doc. 4/18: Approved

**Doc. 398/17: Department of Public Works – Recycling Dividends Program Grant [28,000.00]-
Carlos Jaquez, Director-Budget & Finance Cmt. – Approved**

At the request of Council President Vasquez, Councilor Abdoo presented the report of the Budget & Finance Committee recommending the approval of the item presented in the amount of 16,000. The report was presented in the form of a motion to approve the item at the reduced amount of 16,000.00 which was seconded by Councilor Payano.

Upon being granted the floor, Councilor Payano stated that the reason for requesting the Council only approve 16,000.00 of the 28,000.00 offered in the grant is due the inability of the Public Works Office to adequately provide information as to where the funds would be allocated beyond the 16,000.00.

Upon being granted the floor, Council Vice President Rodriguez confirmed that the amount presented in the motion to approve the grant funding totaled 16,000.00.

Upon being granted the floor, Councilor De La Cruz asked the reason for the reduction from the grant offering of 28,000.00. Councilor Abdoo explained that the amount of the approval for acceptance was voted upon by the Budget & Finance Committee to recommend the approval and acceptance of 16,000.00 of the total amount of 28,000.00.

Upon being recognized, Public Works Director Jaquez discussed the grant award offered in the amount of 28,000.00. He stated that although there was not a current source for the use of the 12,000.00 balance of the grant fund it would be used appropriately and for its intended purpose if the full amount were approved.

Upon being granted the floor, Councilor Payano stated that the grant is presented with a reduction because there are no details of the disbursement and use of the funds. He suggested that there should be a plan for the use of the full amount of the grant and the 12,000.00 in particular before the amount is approved.

[Tuesday, February 6, 2018]

Upon no further inquiry, comment or discussion Council President Vasquez called the motion to approve the grant in the amount of 16,000.00 to the attention of the Council Members who voted to defeat the motion by roll call vote as follows: Yes-4; No-4; Absent-1

Councilor Estela Reyes - No
 Councilor Anna Levy - No

Doc. 18/18: Appointment - Zoning Board of Appeals – Richard Consoli – Re-appointment – Mayor Dan Rivera – Pers. Cmt. – Approved

At the request of Council President Vasquez, Councilor De La Cruz presented the report of the Personnel Committee recommending the re-appointment of Richard Consoli to the Zoning Board of Appeals. The report was presented in the form of a motion to approve the appointment which was seconded by Councilor Payano.

Upon being granted the floor, Councilor Laplante stated that he is aware that Attorney Consoli is very ill and could not be present before the City Council this evening. He informed the Council Members that members of the various board and commissions recommended for consideration of City Council Approval usually are present before the Subcommittee and an interview is conducted. However, Council Members who either do not or cannot take part in the interview conducted before the Subcommittee often rely on the recommended candidate to appear before the Full City Council where the entire body has the opportunity to pose questions and comment on the insights and answers provided by the Candidate. Councilor Laplante stated that he is aware that the “automatic approval” provisions of City Charter Section 3.7(a) may apply to the position and the candidate submitted for consideration of the City Council Members this evening and that there may be some issue concerning the applicability of City Charter Section 4.3 exempts the Zoning Board position from the “thirty day” requirement provided in Section 3.7(a). Councilor Laplante asked City Clerk Maloney whether or not the Mayor’s

[Tuesday, February 6, 2018]

recommendation to re-appoint Attorney Consoli as a Member of the Zoning Board of Appeals is within the strictures of Section 3.7 that require the City Council to take action within the “thirty day” time period or would the recommendation be considered “automatically approved” upon the passage of thirty days in this instance.

In response, City Clerk Maloney stated that his opinion on the matter is of no consequence and has no effect since the issue as to whether or not the “automatic approval provision” of City Charter Section 3.7(a) requires a legal opinion particularly if the City Council and the Mayor may be at odds concerning the application and enforcement of any section of the City Charter at any time. City Clerk Maloney stated that on prior occasions he would assign a “thirty day date” to each appointment from the date “received” by the City Clerk. However, that practice has been discontinued due to the fact that it would appear to be an unauthorized determination of the issue as it is presented before the City Council on this appointment. City Clerk Maloney stated that the issue is one that may come about based on the decision of the Mayor to invoke the “automatic appointment provision” of Section 3.7(a) in response to the failure of the City Council to “take action” as provided in the last sentence of Section 3.7(a). He stated that the City Clerk has no authority to make a determination which is reserved to the Mayor and the City Council Members by vote. City Clerk Maloney then provided Council President Vasquez with a copy of Section 3.7 and Section 4.3 of the Lawrence City Charter for the record which provides as follows:

LAWRENCE CITY CHARTER

3.7 Appointments to City Offices. Removal.

- (a) **Appointments.** The mayor shall submit to the city council, unless otherwise provided, the names of all persons he desires to appoint as a department head or director of any city agency. The city council shall refer all such candidates to the standing committee on personnel and administration which shall investigate all such candidates for confirmation and make a report with recommendations to the full city council not less than seven nor more than twenty-one days following such referral. A nomination of the mayor shall be confirmed by a majority vote of the council. The provision of Section 3.8(c) shall not apply. If the city council has taken no action, said appointments shall become effective on the thirtieth day following the date the name has been received by the city council.
- (b) **Removal from Office.** The mayor may remove any person appointed under Section 3.7 by filing a written statement with the city council, setting forth the reason or reasons therefor a copy of which shall be delivered to the person whose removal is sought who may make a written replay, which if (s)he desires may be filed with the city council and be a public record. The city council shall

[Tuesday, February 6, 2018]

forthwith consider said removal. The removal of said person shall be sustained by a 2/3 majority vote of the council. The provision of Section 3.8(e) shall not apply.

4.3 Appointments by the Mayor.

The mayor shall appoint all city officers, department heads, directors and members of multiple member bodies for whom no other method of appointment or selection is provided by the charter, excepting only officers serving under the school committee, officers appointed by the Commonwealth, and persons serving under the City Council. Except appointments to multiple member bodies all such appointments made by the mayor, unless otherwise provided shall be subject to review and confirmation by the city council as provided in Section 3.7.

Lawrence City Charter; Sec. 3.7 and Sec. 4.3 [Municode 2018].

Continuing, Councilor Laplante suggested that the appointment of Mr. Consoli be “tabled”.

Upon being granted the floor, Councilor De La Cruz stated that Attorney Consoli appeared before the Personnel Committee and informed the Council Members that the re-appointment consideration before the Personnel Committee was favorable.

Upon being granted the floor, Councilor Payano suggested that the item would benefit by being “tabled” if there are no negative consequences to the item being “tabled”.

Upon being granted the floor, Councilor Abdoo stated that he would not support “tabling” the item and the motion to approve the appointment should be present. He informed the Council Members that he has known Attorney Consoli for many years as a Member of the Zoning Board of Appeals and through other professional positions and he stated that Attorney Consoli is ideally suited to be reappointed to the position and urged the Council Members to approve the application as presented.

Upon being granted the floor, Councilor Reyes stated that she supports the motion to approve rather than being “Tabled”.

Upon being recognized, Chief of Staff Eileen Bernal informed the City Council Members that Mayor Rivera is of the opinion that the City Council is required to “take action” on the appointment recommended by the Mayor before the passage of thirty days or it will be considered approved if the Council fails to act as provided in Section 3.7(a) of the Lawrence City Charter. Chief of Staff Bernal stated further that she has a copy of a

[Tuesday, February 6, 2018]

written opinion of City Attorney Charles Boddy dated January 11, 2018 supporting the determination that the “thirty day automatic” provision of Section 3.7(a) applies to the position presented for consideration of approval.

Upon being granted the floor, Councilor Laplante reviewed Section 4.3 and 3.7 stating that these sections present confusion and contradiction. He stated that his concern is that the applicant is not available to be interviewed by all Members of the City Council who may not have had the opportunity to ask the applicant questions at the Subcommittee session or otherwise regardless of the reason for his absence.

Upon no further inquiry, comment or discussion Council President Vasquez called the motion to approve and the Council Members present voted unanimously [9-0] to approve the re-appointment of Richard Consoli to the Zoning Board of Appeals.

Doc. 18/18: Approved

Doc. 19/18: Appointment - Zoning Board of Appeals – Beatrice Taveras – Re-appointment – Mayor Dan Rivera – Pers. Cmt. - Approved

At the request of Council President Vasquez, Councilor De La Cruz presented a motion to receive the report of the Personnel Committee without a recommendation. The motion was seconded by Councilor Reyes.

Upon being granted the floor, Councilor Laplante posed questions to the applicant and discussed zoning issues that are presented before the Zoning Board of Appeals which the City Council also shares.

Upon being granted the floor, Councilor De La Cruz inquired about zoning issued regarding approval of the Zoning Board.

Upon being granted the floor, Councilor Payano informed the applicant about the effect decisions of the Board of Appeals has upon the City.

Upon being granted the floor, Councilor DePena stated the applicant will be a good addition to the Zoning Board.

Upon being granted the floor, Council Vice President Rodriguez asked about the applications presented to the Board and cases that are important but may not be presented to the Zoning Board due to the nature of the claim or the petition involved.

[Tuesday, February 6, 2018]

Upon being granted the floor, Councilor Abdoo stated he supports the applicant.

Upon no further inquiry, comment or discussion Council President Vasquez called the motion to receive the report of the Personnel Committee and the Council Members present voted unanimously [9-0] to receive the report.

Upon being recognized, Councilor Payano presented a motion to approve the re-appointment of Beatrice Taveras to the Zoning Board of Appeals. The motion was seconded by Councilor Reyes and unanimously [9-0] approved by Council Members present.

Doc. 19/18: Approved

Doc. 20/18: Appointment – Greater Lawrence Sanitary District – Brian Peña – Mayor Dan Rivera – Pers. Cmt. – Approved

At the request of Council President Vasquez, Councilor De La Cruz presented the report of the Personnel Committee recommending the appointment of Brian Pena to the Greater Lawrence Sanitary District. The report was presented in the form of a motion to approve the appointment of Brian Pena as a Member of the Greater Lawrence Sanitary District. The motion was seconded by Councilor Reyes.

Upon being recognized, Chief of Staff Eileen Bernal informed the Council Members that the recommendation of Brian Pena is an increase to the Greater Lawrence Sanitary District Board that is supported by State statute which determines the number of members based on population. She stated that the present population of the City of Lawrence is approximately 80,000.00 inhabitants which allow the City of Lawrence to provide for the additional member to this board.

Upon being granted the floor, Councilor Laplante asserted that the fourth Member to the Greater Lawrence Sanitary District Board is being recommended for appointment by virtue of the fact the City of Lawrence has reached a current population of 80,000.00.

Upon being granted the floor, Councilor De La Cruz stated that she has observed Water Commissioner Pena at work and that he maintains a positive interaction with employees and members of the public at all times. She stated that she supports the application for the position as presented.

[Tuesday, February 6, 2018]

Upon being granted the floor, Councilor Levy asked if the appointment presents a conflict of interest. In response, Chief of Staff Bernal stated the appointment of Water Commissioner Pena would not pose a conflict of interest by serving as a Member of the Greater Lawrence Sanitary District Board and an employee of the City of Lawrence. Chief of Staff Bernal commented that holding both positions would benefit the City of Lawrence.

Upon no further comments, discussion or inquiry by the Council Members present, Council President Vasquez called the motion to the attention of the Council Members who voted unanimously [9-0] to approve the appointment of Brian Peña to the Greater Lawrence Sanitary District Board.

Doc. 20/18: Approved

Doc. 21/18: Appointment – Zoning Board of Appeals – William “Will” Mazola – Mayor Dan Rivera - Pers. Cmt. – Approved

At the request of Council President Vasquez, Councilor De La Cruz presented the report of the Personnel Committee recommending the appointment of William “Will” Mazola to the Zoning Board of Appeals. The report was presented in the form of a motion to approve the applicant as presented which was seconded by Councilor Reyes and unanimously [9-0] approved by Council Members present.

IX. TABLED MATTERS:

Doc. 394/17: Capital Asset Project Manager –Proposed Ordinance Department of Public Works – Frank Bonet, Pers. Director –Public Hearing – Approved as Amended

Upon being recognized, Council Vice Rodriguez presented a motion to remove the above matter from the “table”. The motion was seconded by Councilor Reyes and unanimously [9-0] approved by the Council Members present.

Council President Vasquez presented the history of the item informing the Council Members that the item was last presented to the Council Members on December 19, 2017 prior to the installment of the Council Members re-elected and the newly elected Council Members. The record of proceedings of show that Councilor Laplante [who was the City Council Vice President at that time] presented a motion to approve the ordinance which required the individual selected to fill the position be recommended by the Mayor subject to the approval of the City Council. The ordinance presented by the motion to approve provided a requirement that the individual selected to fill the position maintain a degree in “Civil Engineering” as provided in “Qualifications” part of the proposed ordinance. Council President Vasquez informed the Council Members that the motion to approve the ordinance was duly seconded by Councilor Nilka Alvarez-Rodriguez. He stated further that City Attorney Boddy drafted the ordinance that was recommended by Mayor Rivera which did not require approval by the City Council and that the degree qualification provided for an “Engineer” and not a “Civil Engineer”. He informed the Council Members that the version that was published was approved by vote of the City Council and that the item was “tabled” after discussion about the possibility that the version that was amended version ordered to publication by the City Council effectually created a “Home Rule Petition” which would require an entirely different method of proceeding if it were to be presented for consideration of approval by the City Council and the Mayor.

Upon being granted the floor, Council Vice President Rodriguez presented a motion that version authored by City Attorney Charles Boddy be substituted in place and in stead of the version presented in the notice of public hearing as published. He requested that Councilor Laplante accept his motion as a “friendly amendment” to the main motion for approval presented on December 19, 2017. Councilor Laplante stated that he accepts the

[Tuesday, February 6, 2018]

amendment offered by Council Vice President Rodriguez amending the proposed draft ordinance presented by publication to reflect the version authored by City Attorney Boddy which states as follows

Draft Section 2.64.270 Capital Asset Project Manager

- A. There is hereby established in the Department of Public Works the position of Capital Asset Project Manager, which shall be a non-union position, to be recommended by the Mayor, who shall report directly to the Director of Public Works.

Upon being granted the floor, Councilor Payano posed questions to Director Jaquez who provided an overview of the position presented referencing the ordinance in the form presented for consideration of approval as amended during this session of the City Council.

Upon being granted the floor, Councilor De La Cruz stated she would prefer to have someone with experience to be selected to fill the position.

Council President Vasquez stated that all applicants would be accepted for consideration.

Upon the request of Councilor Laplante, City Clerk Maloney read the motion to approve the ordinance to be considered with the amendment presented by Council Vice President Rodriguez and accepted by Councilor Laplante as the author of the original motion to approve. City Clerk Maloney informed the Council Members that the motion for consideration is to approve the propose ordinance as drafted by City Attorney Boddy which retains all language of the proposed ordinance, more particularly that part of Section A of the proposed ordinance for the position of Capital Asset Project Manager [draft Section 2.64.270] which provides as follows:

- A. There is hereby established in the Department of Public Works the position of Capital Asset Project Manager, which shall be a non-union position, to be recommended by the Mayor, who shall report directly to the Director of Public Works.

City Clerk Maloney stated and informed the Council Members that all other aspects of the draft ordinance as presented by City Attorney Boddy remain as presented by City Attorney Boddy and the amended ordinance voted upon by the City Council and published with the notice for public hearing is no longer presented for consideration of approval.

[Tuesday, February 6, 2018]

Upon inquiry to Council President Vasquez and Councilor Laplante, Council Vice President Rodriguez asked of the qualification provided in Section B of the City Attorney draft can be amended to reflect the qualifications originally proposed but to require the individual possess a degree in “Civil Engineering”. Councilor Laplante stated that he accepts the proposed amendment as an additional amendment to the ordinance for consideration of approval in final form.

At the request of Council President Vasquez, City Clerk Maloney informed the Council Members that the motion presented for consideration is to approve the propose ordinance as drafted by City Attorney Boddy retaining all language of the proposed ordinance, more particularly the language contained in Section A of the proposed ordinance for the position of Capital Asset Project Manager [draft Section 2.64.270] which provides as follows:

- A. There is hereby established in the Department of Public Works the position of Capital Asset Project Manager, which shall be a non-union position, to be recommended by the Mayor, who shall report directly to the Director of Public Works.

Further, that the additional amendment provide the following language

B. Qualifications

The Capital Asset Project Manager shall have a minimum of a Bachelor’s degree in Construction Management, **Civil Engineering**, or Architecture (Master’s Degree preferred) from an accredited university and a minimum of five (5) years of work experience in successfully managing construction projects, along with experience in project management and capital program planning.

City Clerk Maloney stated and informed the Council Members that all other provisions contained in the draft ordinance presented by City Attorney Boddy remain as presented by City Attorney Boddy except as provided in the above motion to approve as amended above.

Upon no further discussion, comment or inquiry offered by the Council Members present, Council President Vasquez called upon the Members present to consider the matter presented. Upon a motion to approve the item presented by Councilor Laplante, as duly seconded, the Council Members present voted unanimously [9-0] to approve the item.

 Council Vice President Jeovanny Rodriguez - Yes
 Council President Kendrys Vasquez – Yes

Upon being recognized, Councilor Reyes presented a motion to approve the item as presented, as seconded by Council Vice President Rodriguez

Council President Vasquez provided the Council Members the procedural history of the document informing the Council Members that a public hearing was held on December 5, 2017 resulting in a motion to approve the measure presented by Councilor Alvarez-Rodriguez and seconded by Councilor Abdo. The item was tabled at that time in order to request input from the Department of Homeland Security of the Federal Government due to the fact that the location of the parking ordinance would be on Canal Street immediately abutting the Federal Immigration and Naturalization Building on the Mill Street, Methuen Street, Union Street and Canal Street block. He stated that a motion to approve the measure is currently pending.

At the request of Council President Vasquez, City Clerk Maloney informed the Council Members that the obtained the name of the individual in charge of security for the Immigration and Naturalization Building in Lawrence and left phone messages on two occasions and sent one email – both without a response.

Upon being granted the floor, Councilor Laplante suggested that the Lawrence State Delegation be contacted who may be able to provide assistance with this matter.

[Tuesday, February 6, 2018]

Upon being granted the floor, Council Vice President Rodriguez discussed the requested parking provision and suggested that approval and implementation should be considered.

10:00 p.m. - Councilor Abdoo presented a motion to conduct Council business past 10:00 p.m. which was duly seconded by Councilor Reyes and unanimously [9-0] approved by the Council Members present

Upon being granted the floor, Councilor Reyes stated that the proposed ordinance has been pending from quite some time and should be addressed by the Council Members.

Upon being granted the floor, Councilor Laplante presented a motion to send a letter to Congresswoman Niki Tsongas requesting assistance in a matter that concerns Federal Security. The motion was seconded by Councilor Abdoo and Council Members present defeated the motion by roll call vote as follows: Yes-2; No-7

Upon being granted the floor, Councilor Payano clarified and confirmed that no action concerning the approval of the measure is presented for city Council consideration during this session and a public hearing on the measure is pending.

Council President Vasquez confirmed that the Council Members are asked to amend the Ordinance Committee report to accurately cite Section 10.26 as the City Ordinance that is subject to the proposed amendment which will address a proposed city wide speed limit provision. He stated that the Council Members will also be affirming the vote of a public hearing that is pending in addition to amend the ordinance citation.

Upon no further discussion, comment or inquiry offered by the Council Members present, Council President Vasquez called upon the Members present to consider the matter presented.

Upon a motion to amend the report of the Ordinance Subcommittee of the City Council concerning the measure presented to accurately reference the petition for amendment to Section 10.26 of the Lawrence Municipal Code [ie: Lawrence City Ordinances] presented by Councilor De La Cruz and seconded by Councilor Reyes, the Council Members present voted unanimously [7-0] to approve amend the Ordinance Committee report to accurately reference the citation to Section 10.26 of the Lawrence City Ordinances as subject of the petition to amend its provisions as presented and to affirm the order for public hearing as voted by the Members of the City Council and recorded on February 6, 2018.

II. PUBLIC PARTICIPATION:

Council President Vasquez requested those who wished to provide public input and participation to present themselves and address the City Council. Upon the invitation of Council President Vasquez, the following individuals addressed the City Council:

Michelle Paletta, 198 Essex Street, Apt. #101 Lawrence, MA spoke in support of the petition to create a 25 mph city wide speed limit. She asked the Council to consider an ordinance placing a Handicap zone near Brunswick House on Essex Street.

Homayoun Maali, 53 Chester Street, Lawrence, MA requested that Mayor Rivera support the Lawrence Police Department, Acting Police Chief Roy Vasque, and to support the contract for the Lawrence Police Officers. He stated that the Mayor should also support the Lawrence Fire Department, Department of Public Works, Lawrence Public Schools, Lawrence School Teachers and the unions representing employees of these

[Tuesday, March 6, 2018]

departments. He praised the efforts of School Commissioner Jeffrey Riley and Teacher’s Union representative Frank McLaughlin. He asked Mayor Rivera to keep his campaign promise to “Save Lawrence, Prosper Lawrence” and urged the Mayor to sign the pending union agreements for the Lawrence Police Officers and Lawrence Firefighters.

Richard Russell, 34 Cross Street, Lawrence, MA discussed agenda document #7/18 [Entitled: Removal of snow from awnings and sidewalks–modification of Ord. Sec. 12.04] stating that the ordinance subjects Lawrence residents to servitude by requiring the removal of snow and ice from sidewalks in front of residences and businesses or pay a fine. He stated that it is doubtful that the City Inspectors will be able to police the new ordinance effectively because the number of inspectors working for the City of Lawrence can’t keep up with the citing properly owners for residential violations reported daily. He stated that the value of vacant lots and other property in the City of Lawrence is much less than the value being offered to purchase the vacant lot across from the Lawrence Police Department.

John Shelzi, 6 Orchard Street, Lawrence, MA informed the Council Members that the resident parking signage for Orchard Street Residential Parking Zone are faded and unreadable. He requested that they be replaced. He stated the odd/even winter parking ordinance put into effect from December to April doesn’t work on Orchard Street. He spoke in opposition to the proposed city wide 25 mph speeding ordinance.

Rosa Jimenez, 32 Orchard Street, Lawrence, MA spoke discussed the proposed amendment to the City Ordinance that will result in fines to business and home owners who fail to remove snow and ice on sidewalks stating that fines may be sufficient to assure the sidewalks are safe. She also spoke in support of the proposed amendment to the Winter Parking Ordinance.

III. TABLED MATTERS:

VI. APPROPRIATIONS-ORDERS-RESOLUTIONS:

**Doc. 93/18: Proclamation – Lawrence High School Basketball, Raymond Núñez –
Counc. Payano – Ref. to Ord. Cmt.**

Council President Vasquez called the above item to the attention of the Council Members as appearing on the Agenda which was referred as indicated.

Doc. 93/18: Ref. to Ord. Cmt.

**Doc. 75/18: Appropriation Transfer - From: Free Cash to Fund Acquisition of 55 Lowell Street
[675,000.00] - Mayor Dan Rivera – Budget and Finance Cmt. – Tabled**

At the request of Council President Vasquez, Councilor Laplante presented the report of the Budget & Finance Committee recommending the approval of the appropriation presented with a condition that a report of the State Ethics Commission of the Massachusetts Attorney General and the City Attorney be filed. The report was presented in the form of a motion to approve the item which was seconded by Council Vice President Rodriguez.

Upon being granted the floor, Council Vice President Rodriguez asked if the item may benefit from hearings before the Housing Sub-Committee of the Lawrence City Council. Council President Vasquez stated the document is a request for an appropriation at this time and does not address the acquisition of the real property which will likely follow. He stated acquisition proceedings may not require action by the City Council and may result in the Administration initiating measures as required.

Upon being recognized, Business and Economic Development Director Abel Vargas provided information concerning the expected acquisition of the real property that may later be used to construct a public safety center and new Lawrence Police station. He stated this part of the projected is merely to acquire the real property and construction of a new Lawrence Police station may be three or four years away.

Upon continuing, Council Vice President Vasquez informed the Council Members that City Attorney Charles Boddy has drafted an opinion concerning “conflict of interest” issues that may arise regarding the sale of the parcel of real property owned by Dr. Gorn to the City of Lawrence while serving as the current Chairman of the Board of Health for the City of Lawrence. He informed the Council Members that the opinion of City Attorney

[Tuesday, March 6, 2018]

Boddy is filed this evening for consideration of the Council Members. He reminded the Council Members that the item presented is a request for the approval of an appropriation and that the issue presented concerns the appropriation presented for approval.

Upon being recognized, Finance Director Mark Ianello confirmed that the item presented is only a request to appropriate the funds necessary to purchase the real property offered by Dr. Gorn to the City of Lawrence.

Upon being granted the floor, Councilor Payano posed questions to Director Vargas concerning the value of the real property subject to the appropriation. Upon conclusion of his inquiry he suggested the item be “tabled” to allow the Council Members to consider the matter based on information submitted this evening and to allow the Council to obtain more information concerning the appraised value of the real property subject to the appropriation request.

Upon being granted the floor, Councilor De La Cruz suggested the location under consideration is very small and may not be suitable for expansion. She posed questions about other land that might be available in the future to also be joined to the vacant lot and existing property for the construction of the Lawrence Police Station at the Lowell Street location in the future.

Upon being granted the floor, Councilor Laplante suggested that Dr. Gorn request an opinion from the State Ethics Commission concerning the “conflict of interest” issue the situation may present. He asked if the City requested an opinion from the State Ethics Commission. In response, Director Vargas stated that City Attorney Boddy has provided a legal opinion stating that Dr. Gorn [as Chairman to the City of Lawrence Board of Health] file a “disclosure” to address the possible “conflict of interest” issue the situation may present. He stated that Dr. Gorn intends to file the disclosure form suggested by the City Attorney.

Upon continuing, Councilor Laplante stated that information concerning the value of the real property provided by the City Assessor would help the Council Members consider whether or not the requested appropriation is consistent with the suggested purchase price that will ultimately be paid to acquire the real property.

[Tuesday, March 6, 2018]

Upon being recognized, Councilor Payano presented a motion to “table” the item which was seconded by Councilor Levy and unanimously [8-0] approved by the Council Members present.

Doc. 30/18: Semana Hispana en Lawrence- Request use of the Campagnone Common for a Cultural Festival- Dates approved as Amended by Vote of Council to permit the use of the Common from Monday, June 11, 2018 through Sunday, June 17, 2018 [from 6pm to 11pm on Friday & Noon to 11pm on weekends] – Zoila Disla – Ord. Cmt. – Approved

At the request of Council President Vasquez, Council Vice President Rodriguez presented the report of the Ordinance Committee recommending the approval of the petition requesting the use of the Campagnone Common for Semana Hispana events to be held Friday June 15th, Saturday June 16th and Sunday June 17th of 2018 with events to be conducted from 6:00 p.m. to 11:00 p.m. on Friday, June 15, 2018 and from 12:00 noon to 11:00 p.m. on Saturday, June 16, 2018 and Sunday, June 17, 2018. The report of the Ordinance Committee was presented in the form of a motion to approve the petition as presented which was seconded by Councilor De La Cruz.

Upon being granted the floor, Council Vice President Rodriguez discussed and confirmed that the petition presented requests the use of the Common on Friday June 15th, Saturday June 16th and Sunday June 17th - 2018. He suggested and confirmed that the dates requested from Friday through Sunday is consistent with past Semana Hispana events which will allow the City to grant the use of the Common to other Hispanic groups who may petition to conduct events on the Common during the week of June 11th.

Upon being granted the floor, Councilor Levy asked the petition representatives of Semana Hispana Committee about the sufficiency of the permit to include the dates originally requested on June 15th, June 16th, and June 17th. Committee Chair Zoila Disla stated that the dates requested June 15th, June 16th, and June 17th would be sufficient to conduct the Semana Hispana event as originally requested in its petition to the City Council.

[8:29 p.m. - Councilor Reyes arrived to the City Council Meeting]

Upon being granted the floor, Councilor Payano reviewed the dates requested for use of the Common on Friday, Saturday and Sunday. A discussion ensued between Council Vice President Rodriguez and Councilor Payano about the use of the Common on the dates requested by the Semana Hispana Committee and allowing others to request the use of the Common on the dates during the week of June 11th. Councilor Payano presented a motion to amend the permit to allow the Semana Hispana Committee to use the Campagnone Common from Monday, June 11, 2018 through and including Sunday, June 17, 2018 with events to be conducted from 6:00 p.m.

[Tuesday, March 6, 2018]

to 11:00 p.m. on Friday, June 15, 2018 and from 12:00 noon to 11:00 p.m. on Saturday, June 16, 2018 and Sunday, June 17, 2018. Councilor Payano presented the motion to amend as a friendly amendment to amend the main motion presented by Council Vice President Rodriguez.

Upon being recognized, Councilor De La Cruz stated that the Semana Hispana Committee should be allowed to use the Common for the entire week and that other groups that may request the use of the Common be joined as part of the celebration under the direction of Semana Hispana.

Upon continuing, Councilor Payano stated that there may be several cultural groups that would like to use the Common independent of the Semana Hispana Committee but otherwise consistent with the events that reflect Hispanic Culture in the City of Lawrence.

Council President Vasquez discussed and reviewed the permit grants of past years.

Upon being granted the floor, Councilor De La Cruz emphasized that the Semana Hispana Committee should be granted a permit for use of the Common for the entire week to assure that events are consistent with the intended celebration.

Upon being granted the floor, Councilor DePena discussed and explained the expected process to operate Hispanic Week.

Upon being recognized, Mr. Castro [a Member of the Semana Hispana Committee] informed the Council Members that the organization will be required to obtain liability coverage for the additional dates if the permit is expanded. Financial payment of insurance coverage and other matters that may be incurred from groups included with the permit provided to Semana Hispana could be arranged.

Upon being granted the floor, Councilor Payano stated that Semana Hispana informed the Council Members that the Semana Hispana Committee initially wanted to obtain a permit to use the Common for the week of June 11th through June 17th but were discouraged on the premise that other groups may apply for use of the Common to be part of the overall celebration of Hispanic Week.

[Tuesday, March 6, 2018]

Upon being granted the floor, Council Vice President Rodriguez explained that he has no issues with granting the petition for use of the Common to the Semana Hispana Committee. He suggested that any other group that may request the use of the Common on Thursday June 14th would be required to obtain permission from the Semana Hispana Committee to conduct events independent of the Semana Hispana Committee. Ms. Disla informed the Council Members that requests for use by other groups consistent with the celebration of Hispanic Culture would be accommodated. She emphasized that the other Hispanic Cultural Events that take place during Hispanic Week have already been scheduled to take place at other venues and provided the Council Members with a copy of the events scheduled for the week of June 11th providing locations throughout the City of Lawrence. Ms. Disla also stated that the Semana Hispana Committee will be responsible liability coverage on dates granted a permit for use of the Common which may be a benefit conferred to other groups accommodated on the dates subject to the permit if financial adjustments are not made and agreed upon.

Upon continuing, Councilor Payano stated that it appears that all other groups involved with Hispanic Week events have already secured locations other than the Campagnone Common for events independent of the Semana Hispana events and there will not likely be any necessity to provide accommodation for use of the Common either by the Semana Hispana Committee or the City of Lawrence. He stated that because the issue of accommodation doesn't exist that the amendment granting the permit to the Semana Hispana Committee to use the Common for events the entire week of June 11th through June 17th should be considered. In conclusion, Councilor Payano requested that is motion to amend the main motion for approval be voted upon by the Council Members present.

Upon being granted the floor, Councilor Levy suggested that the petition be "tabled" and presented a motion to "table" the item. The motion was seconded by Councilor Reyes. Upon the roll call of the motion to "table" as presented and recorded, the motion to "table" failed" as follows: Yes-4; No-5

Councilor Estela Reyes - Yes
 Councilor Anna Levy - Yes
 Councilor Marc Laplante - No
 Councilor David Abdo - No

[Tuesday, March 6, 2018]

Councilor Pavel Payano - No
Councilor Maria De La Cruz - No
Councilor Brian DePena - Yes
Council Vice President Jeovanny Rodriguez - Yes
Council President Kendrys Vasquez – No

Upon being granted the floor, Councilor De La Cruz reiterated that she supports granting the permit for use of the Common to the Semana Hispana Committee for the week of June 11th.

Upon being granted the floor, Councilor Reyes stated that the Semana Hispana Group has stated that they will accommodate others who may request the use of the Common if they are granted a permit for the entire week. She stated that she will support a motion to approve the permit for use for the week of June 11th as presented by Councilor Payano.

Upon being recognized, Ms. Disla stated that if the petition is not addressed expeditiously it will likely delay all licenses and permits necessary to hold the event in a timely manner. She urged the Council Members to grant a permit either for the original dates or as amended without delay.

Upon being granted the floor, Council Vice President Rodriguez stated that the only issue that remains is to allow the Common to be available for other groups on Thursday, June 14th.

Upon being granted the floor, Councilor Abdo stated that he is frustrated that the process is working against the diligence and timeliness of the Semana Hispana Group who has filed its requests for permits and licenses as required. He stated that it would be contrary to the interest of the public and the Council to delay the process in any manner and that the Council Members should consider the matter presented immediately.

Upon being granted the floor, Councilor De La Cruz suggested that the matter concerning liability insurance obtained for the full week of use may extend financial liability to the Semana Hispana Committee for acts committed by others during times of use by other groups for which the Semana Hispana Committee may not bear any responsibility.

Council President Vasquez recognized the motion to amend the motion to grant the petition as presented by Councilor Payano to grant the Semana Hispana Committee use of the Campagnone Common from Monday, June

Upon being granted the floor, Councilor Abdoos presented a motion that the above referenced measures be consider “as a block” for the purpose of removing all petitions from the “table” to be presented for consideration. The motion was seconded by Councilor Reyes.

Upon being granted the floor, Councilor Abdoos expressed his concern and frustration that all three petitions have endured a year long process marred by delay. He discussed the interest of residents in all three items as serious public safety measures that should have been presented and approved by now. He stated that although the Council is presently considering a city wide 25 mph speed limit he will be asking the Council Members to move the speed limit measures to be heard at a public hearing at the next City Council Meeting despite the pending measure for a city wide speed limit. He further stated that the four way stop sign measure should also be scheduled for public hearing due to the safety issues the measure seeks to address on behalf of he residents of the Carlton Street neighborhood.

Upon being granted the floor, Council Vice President Rodriguez informed the Council Members of the pending city wide 25 mph speed limit measure pending approval by the City Council. He stated that the measure for a city wide 25 mph speed limit mirrors the two items presented and suggested that the approve of the city wide 25 mph speed limit may by duplicative. He stated that the Council will likely consider the city wide 25 mph speed limit measure and urged the Council to pursue adopt the ordinance when it is presented which will be implemented on all public roadways in the City.

[Tuesday, March 6, 2018]

Upon being granted the floor, Councilor Payano stated the importance of obtaining information from the Department of Public Works to determine reasonable speed limits.

Upon being granted the floor, Councilor Abdoo requested that the City Council enter an order for a public hearing on all three items.

Upon being granted the floor, Councilor De La Cruz discussed the necessity to contact the Community to inform the people of changes in ordinances.

Upon being granted the floor, Councilor Reyes stated that young drivers need to be educated about road safety and the seriousness of car accidents.

Upon the motion to consider all three measures “as a block” and remove the items from the “table” presented by Councilor Abdoo and seconded by Councilor Reyes, the Council Members voted to present to approve the motion [8-0].

Upon being granted the floor, Councilor Abdoo presented a motion to order a public hearing be scheduled for Doc. 389/17: Speed Limit–Everett Street [25 mph]. The motion was seconded by Councilor Reyes and unanimously [8-0] approved by Council Members present.

III. PUBLIC PARTICIPATION:

Council President Vasquez requested those who wished to provide public input and participation to present themselves and address the City Council. Upon the invitation of Council President Vasquez, the following individuals addressed the City Council:

Homayoun Maali, 53 Chester Street, Lawrence, MA asked that Mayor Rivera support the Lawrence Police Department, Acting Lawrence Police Chief Roy Vasque, and the pending Lawrence Police Patrolman's contract. He requested that Mayor Rivera support the Lawrence Fire Department, Public Works Department, the Lawrence Public Schools and the Teachers, as well as the unions representing the employees working in these department departments. He praised the efforts of School Commissioner Jeffrey Riley and Teacher's Union represented by Frank McLaughlin. He asked Mayor Rivera to keep his campaign promise to "Save Lawrence, Prosper Lawrence" and urged the Mayor to sign the pending union agreements for the Lawrence Police Officers and Lawrence Firefighters.

Joseph D'Amico, 11 Lorenzo Road, Lawrence, MA discussed the provisions of the pending public hearing regarding the proposed City Ordinance [as presented in Doc. 7/18 – Snow Removal from Walkways and Awnings]. He stated that some properties that do not have sidewalks may be cited with a violation simply because inspectors issuing citations may not know there isn't a sidewalk if there is a significant accumulation of snow. He stated that the proposed ordinance allows citations to property owners [ie: landlords] who will be unable to clear snow from all properties owned if the individual owns a number of properties. He stated that the proposed ordinance imposes a financial and physical hardship on property owners and should not be approved. He stated

[Tuesday, March 20, 2018]

that if the ordinance is approved it may result in property owners and landlords presenting a petition to repeal the ordinance.

Richard Russell, 34 Cross Street, Lawrence, MA commented on the recent statement by President Trump blaming Lawrence for New Hampshire's drug addiction problem. He suggested the City of Lawrence arrest and jail New Hampshire purchasers coming to Lawrence to buy drugs in Lawrence. He stated that the Courts need to impose greater penalties for drug users and drug dealers. He also state that the Winter Parking Ordinance in Lawrence does not work and needs to be amended.

IV. PUBLIC HEARINGS:

Doc. 389/17: Speed Limit–Everett Street [25 MPH]–Counc. Abdoo – Public Hearing held – Approved

At the request of Council President Vasquez, the City Clerk read the public hearing notice regarding the above as published. Upon the conclusion of the Clerk's reading of the public notice, Council President Vasquez opened the public hearing portion of the proceedings and invited anyone who wished to be heard to present themselves before the Council Members.

James Midolo, 100 Everett Street, Lawrence, MA informed the Council Members that he lives in the neighborhood and has observed cars speeding on Everett and Rowe Street putting residents in danger. He spoke in support of the proposed amendment and provided examples of various motor vehicle offenses occurring over the past few years resulting in serious car accidents and placing people's lives in danger.

Upon no further discussion or comment offered by anyone present, Council President Vasquez closed the public comment portion of the proceedings and called upon the Council Members present to offer comment or discussion.

Upon being granted the floor, Councilor Abdoo presented a motion to approve the proposed ordinance as presented, as seconded by Council Vice President Rodriguez.

Upon being granted the floor, Councilor Abdoo informed the council Members that the residents in the area he represents have expressed an interest to reduce the legal speed limit on Everett Street and stated that reducing

[Tuesday, March 20, 2018]

the speed limit to 25 miles per hour would help improve safety. He provided a list of the various public parks and recreational sites on or near Everett Street stating that approving the reduced speed limit would help protect the people using the parks and recreational areas.

Upon being granted the floor, Councilor Payano stated that speeding is a problem throughout the City of Lawrence. He stated that reduced speed limits together with increased enforcement is necessary to assure public safety. He suggested that lower speed limits without enforcement will not provide safety. He stated that in order to a traffic study and report must be provided in order to assure the ordinance can be lawfully applied.

Upon being granted the floor, Council Vice President Rodriguez stated that speeding must be addressed throughout the City and emphasized that the pending ordinance for the adoption of a 25 mile per hour City Ordinance as provided in G.L. c. 90, sec. 17 should be approved.

Upon being granted the floor, Councilor De La Cruz stated that measures that address public safety are intended to address emergencies. She commented that implementation of safety measures does not occur quickly enough to assure the residents of Lawrence benefit from the measures that are put in place to provide public safety. She stated this measure and other public safety measures should not be delayed for the completion of a traffic study.

Upon being granted the floor, Councilor Payano suggested that if the ordinance is approved without a traffic study may be unenforceable if contested in court.

Upon being granted the floor, Councilor Abdoo stated that delays in the approval process results in placing the public in danger. He urged the Council Members to approve the measure as presented.

Upon being granted the floor, Councilor Levy inquired about the time that it may take to complete a traffic study. In response, Council Vice President Rodriguez informed the Council that the traffic study and speed limit studies would not take place until there are no more winter storms that might prevent the completion of a traffic study. A discussion ensued between Councilor Levy and Council Vice President Rodriguez.

[Tuesday, March 20, 2018]

Upon being granted the floor, Councilor De La Cruz stated this and other items before the Council need to move more quickly.

Upon no further discussion, comment or inquiry offered by the Council Members present, Council President Vasquez closed the discussion portion of the proceedings and called upon the Members present to consider the matter presented. Upon a motion to approve presented by Councilor Abdo, as seconded by Council Vice President Rodriguez, the Council Members present voted by roll call vote to approve the measure as follows:

Doc. 390/17: Speed Limit–Rowe Street [25 MPH]–Counc. Abdo – Public Hearing held – Approved

At the request of Council President Vasquez, the City Clerk read the public hearing notice regarding the above as published. Upon the conclusion of the Clerk’s reading of the public notice, Council President Vasquez opened the public hearing portion of the proceedings and invited anyone who wished to be heard to present themselves before the Council Members.

Joseph D’Amico, 11 Lorenzo Road, Lawrence, MA stated that any reduction in the speed limit must be enforces if it is to be effective.

James Midolo, 100 Everett Street, Lawrence, MA stated that this measure addresses the same issues and dangers he commented on earlier informing the Council Members that Everett and Rowe Streets are really all one roadway because they are a continuation of each other.

[Tuesday, March 20, 2018]

Upon no further discussion or comment offered by anyone present, Council President Vasquez closed the public comment portion of the proceedings and called upon the Council Members present to offer comment or discussion.

Upon being granted the floor, Councilor Abdoo presented a motion to approve the measure as presented as seconded by Council Vice President Rodriguez.

Upon being granted the floor, Councilor Abdoo stated that he would not repeat his comments offered about Everett Street stating that the issues presented concerning Rowe Street and the reasons for a reduction of the speed limit are the same as presented in the measure pertaining to Everett Street. He again urged the Council Members to approve the measure presented for consideration in order to provide the residents of the area greater safety.

Upon no further discussion, comment or inquiry offered by the Council Members present, Council President Vasquez closed the discussion portion of the proceedings and called upon the Members present to consider the matter presented. Upon a motion to approve presented by Councilor Abdoo, as seconded by Council Vice President Rodriguez, the Council Members present voted by roll call vote to approve the measure as follows:

Counc. Abdoo – Public Hearing held – Approved**

At the request of Council President Vasquez, the City Clerk read the public hearing notice regarding the above as published. Upon the conclusion of the Clerk’s reading of the public notice, Council President Vasquez

[Tuesday, March 20, 2018]

opened the public hearing portion of the proceedings and invited anyone who wished to be heard to present themselves before the Council Members.

James Midolo, 100 Everett Street, Lawrence, MA spoke in support of the proposed measure stating that a four way stop sign will also help with vehicle safety in the neighborhood because it will require cars on or approaching Everett Street to stop.

Upon no further discussion or comment offered by anyone present, Council President Vasquez closed the public comment portion of the proceedings and called upon the Council Members present to offer comment or discussion.

Upon being granted the floor, Councilor Abdoo presented a motion to approve the measure as presented as seconded by Council Vice President Rodriguez.

Upon being granted the floor, Councilor Payano inquired if a traffic study or other state requirements were necessary to allow for the lawful installation of a four way stop sign at any intersection.

Upon being granted the floor, Councilor Abdoo referenced a report he recently provided to the Council Members referencing MassHighway regulations and stated that certain review procedures are required for State Highways but not for the imposition of regulatory measures approved by the City Council such as the measure presented for the approval of a four way stop sign. He stated further that the location of the proposed four way stop sign is not a State Highway and is not subject to the State Highway process. He stated further that although the Council Members often request and rely on informational reports provided by the Public Works Department or the Lawrence Police Department these reports are “informative” and not “required” to support the approval of safety measures presented for consideration of approval by the City Council.

In response, Councilor Payano referred to a memo from Public Works Director Carlos Jaques suggesting a traffic study be performed stating that obtaining information concerning public safety measures by City professionals is helpful with the approval process and past practices should not be relied upon.

[Tuesday, March 20, 2018]

Upon being granted the floor, Councilor De La Cruz stated that Council Members must be responsive to the people they represent and provide solutions to problems that exist in the neighborhood.

Upon being granted the floor, Council Vice President Rodriguez cited Federal Regulations applicable to the installation of a four way stop sign at intersection stating that the regulation provides that a traffic study is required to support the approval of such a measure. A discussion ensued between Councilor Payano and Council Vice President Rodriguez concerning Public Works review of traffic control requests.

Upon being granted the floor, Councilor DePena stated that enforcement by the police is the most important and necessary way to provide safety.

Upon no further discussion, comment or inquiry offered by the Council Members present, Council President Vasquez closed the discussion portion of the proceedings and called upon the Members present to consider the matter presented. Upon a motion to approve presented by Councilor Abdo, as seconded by Council Vice President Rodriguez, the Council Members present voted unanimously [8-0] to approve the measure.

by Councilor Abdo, as seconded by Councilor DePena, the Council Members present voted unanimously [8-0] to approve the measure.

Doc. 5/18: Approved

Doc. 7/18: Removal of snow from awnings and sidewalks – modification of Ord. Sec. 12.04.040 – Council Vice Pres. Rodriguez and Councilor Payano – Public Hearing held - Approved

At the request of Council President Vasquez, the City Clerk read the public hearing notice regarding the above as published. Upon the conclusion of the Clerk's reading of the public notice, Council President Vasquez opened the public hearing portion of the proceedings and invited anyone who wished to be heard to present themselves before the Council Members.

Homayoun Maali, 53 Chester Street, Lawrence, MA spoke in support of the proposed ordinance stating that the measure will help save the lives of children walking to and from school.

Joseph D'Amico, 11 Lorenzo Road, Lawrence, MA suggested that snow removal measures should be better written to address snow removal regulation for specific areas of the City rather than an ordinance that applies to everyone regardless of the location of the business or residence.

Jamie Martinez, a concerned parent living in Lawrence, addressed the Council Members spoke in support of the proposed measure stating that the ordinance will provide greater safety of the children.

Richard Russell, 34 Cross Street, Lawrence, MA spoke in opposition of the proposed ordinance suggesting that the proposed pathway widths of pathways to be shoveled are too wide. He stated that even if the ordinance is approved it is unlikely it will be enforced since the City of Lawrence lacks sufficient enforcement staff to provide regulatory enforcement of current ordinances.

Angel [last name inaudible], 31 Ames Street Lawrence, MA stated the safety considerations of the proposed ordinance are good policy but the ordinance provisions are impractical particularly if there is a large amount of snow to remove. He stated that snow storms that drop large amounts of snow simply cannot be removed in the way that the ordinance requires.

[Tuesday, March 20, 2018]

Kathy Runge, 32 Dracut Street, Lawrence, MA stated she supports the ordinance but is too narrowly written which will result in the inability for anyone to comply with its terms.

Upon no further discussion or comment offered by anyone present, Council President Vasquez closed the public comment portion of the proceedings and called upon the Council Members present to offer comment or discussion.

Council President Vasquez informed the Council Members that he will allow each of the Council Members to provide one round of comments.

Upon being granted the floor, Council Vice President Rodriguez presented a motion to approve the proposed ordinance presented and to waive any applicable 30 day waiting period that may be required by section 3.8(a) of The Lawrence City Charter. The motion was seconded by Councilor DePena.

Upon being granted the floor, Councilor Laplante stated that the proposed ordinance provides detailed provisions and asked what will require greater enforcement to obtain compliance.

Upon being granted the floor, Council Vice President Rodriguez stated that the purpose of the proposed ordinance is not to impose and collect fines but to provide safety to the children and all who use walkways in Lawrence. He stated that the proposed ordinance addresses those businesses and corporations who continually fail to remove snow from the sidewalks.

Upon continuing, Councilor Laplante stated that the “section b” of the proposed ordinance which requires an owner to remove ice from the walkways in front of their property within 6 hours doesn’t provide property owners with a reasonably amount of time to remove the ice in front of the property – particularly a residence. He stated that anyone who is away from their residence for more than 6 hours during the time period that ice accumulates would be in violation of the ordinance if the ice accumulates during a 6 hour time period when the owner may be required to be at work. He stated that the 6 hour provision provided in “section b” unfairly penalize those who work if the accumulation of ice is required to be removed during the time period the owner may be at work and unable to either remove the ice themselves or hire someone to remove the ice for them. He suggested the

[Tuesday, March 20, 2018]

6 hour provision of “section b” allow owners of property to remove ice from walkways as required within the 24 hour provision as provided in “section a” which addresses the removal of snow. This would provide owners with a reasonable period of time to remove ice within the 24 hour period. He requested that Council Vice President Rodriguez accept the amendment to allow for the removal of snow and ice within 24 hours replacing the 6 hour time requirement as provided in section (b) of the ordinance.

Council Vice President Rodriguez accepted the “24 hour” amendment to his motion to approve the measure as presented earlier.

Councilor Laplante also stated that the provisions of “section c” that allow the Council on Aging to provide the elderly and disabled with a list of “professional snow removal companies and individuals” who may be hired to remove snow and ice needs to be clarified. He inquired if it is the intent of this section to create snow removal “professionals” who would have to be “qualified” to remove snow and ice subject to approval by the City of Lawrence or the Council on Aging or can anyone be placed on that list of individuals who may be referred by the Council on Aging. In response, Council Vice President Rodriguez stated that there would be no professional qualifications and anyone could be placed on the list of individuals that the Council on Aging could refer to elders and the disabled to help them remove snow and ice.

Upon being granted the floor, Councilor Payano stated that the purpose of the proposed ordinance is to provide safe walkways to school children and allow greater access to walkways by all who use them for any pedestrian purpose.

Upon being granted the floor, Councilor Abdoo stated that the provision that requires owners to provide shovel a walkway and access way that is a minimum of “42 inches” should be reduced to allow those who provide a walkway area with a more reasonable width of “36 inches” stating that most snow blowers and shovels are much less than “42 inches”. Councilor Abdoo asked if Council Vice President Rodriguez would accept the amendment of the width of the pathway provided in the second paragraph of “section a” to be “36 inches”. In response, Council Vice President Rodriguez stated the 42” requirement was included in the proposed ordinance based on

[Tuesday, March 20, 2018]

American with Disabilities Act requirements that a clear and unobstructed pathway be provided for other purposes. He stated that he agrees to the proposed amendment presented by Councilor Abdo for the pathway width of “36 inches” to be included in the ordinance subject to his motion to approve the measure.

Upon being granted the floor, Councilor De La Cruz stated the problem is one that needs to be solved by the community. She stated she does not support the measure presented.

Upon being granted the floor, Councilor Laplante suggested that the “waiver of the 30 day period” may result in the immediate application of the ordinance without sufficient time to provide property owners and residents with notice of the requirements of the new measure if it is put into effect immediately upon approval. He stated that a snow storm is predicted to take place in the area with the next 24 hours with a significant snow fall expected. He stated that if the measure presented this evening is immediately effective upon approval without sufficient time to notify property owners of the new provisions the City of Lawrence may be citing owners for violations that there is simply not sufficient time to notify owners of the new requirements. For that reason he requested that Council Vice President Rodriguez consider removing the “waiver of the 30 day provision” and allow the measure to become effective in 30 days from the date of approval as required by City Charter Section 3.8(a) which will allow property owners to be sufficiently notified of the requirements of the new ordinance. In response, Council Vice President Rodriguez agreed and removed the waiver of the 30 day requirement from his motion to approve the proposed measure as presented.

Council President Vasquez informed the author of the motion that the proposed ordinance does not consider the enforcer and suggested adding the language “Enforcement authority will be Inspectional Services”. Council Vice President Rodriguez amended his motion further to include a further paragraph to provide the Inspectional Services Officers and Agents as the authorized enforcement authority of the measure.

Upon no further inquiry, comment or discussion Council President Vasquez called the motion to approve the ordinance as amended to the attention of the Council Members for their consideration.

[Tuesday, March 20, 2018]

Upon a motion to approve the measure presented with the amendments provided herein, the Council Members voted unanimously [8-0] to approve the measure with amendment.

Doc. 75/18: Appropriation Transfer - From: Free Cash to Fund Acquisition of 55 Lowell Street [675,000.00] - Mayor Dan Rivera – Budget and Finance Cmt. – Approved

Councilor Abdo presented a motion to remove the item from the table which was seconded by Council Vice President Rodriguez and unanimously approved by the Council Members present [8-0].

Chief of Staff Eileen Bernal appeared and provided the Council Members with documents referencing the appraisal of the real property that is being considered for purchase using funds subject to the requested appropriation as well as the “Disclosure of a Conflict of Interest” form filed by Dr. Gorn [the seller of the property] and the advice of the State Ethics Commission provided to Dr. Gorn addressing the issue of the possible conflict of interest that his position as the current Chair of the Lawrence Board of Health may pose as the seller of real property to the City of Lawrence in this matter.

[Tuesday, March 20, 2018]

Upon being granted the floor, Councilor Laplante inquired of the status of the motion to approve the item pending before the Council. In response, City Clerk Maloney stated the pending motion presented on March 6, 2018 by Councilor Laplante and seconded by Council Vice President Rodriguez is for the approval of the appropriation conditioned on the receipt of a report from the Ethics Commission and the City Attorney concerning the issue concerning the conflict of interest and the disclosure form that may be necessary. The Clerk stated that the item was “tabled” by unanimous vote of the City Council Members present [8-0] based on the “motion to table” presented by Councilor Payano as seconded Councilor Levy.

Upon continuing, Councilor Laplante stated that although he believes that paying 675,000.00 for a vacant lot is distasteful he is encouraged that other issues concerning a potential conflict of interest under the circumstances presented are sufficiently addressed by the opinions provided by Counsel from the State Ethics Commission and City Attorney Boddy both recommending and resulting in a “Disclosure Statement” being filed by Dr. Gorn [the seller] who is also the current Chair of the Board of Health. He stated that these precautions have been met and serve to address issues that may concerning claims that the purchase of the real property may be clouded by asserting that Dr. Gorn received special treatment or consideration because of his position as the Chairman of the Board of Health. Councilor Laplante stated that he will support the appropriation of the funds that the Administration has indicated would be applied toward the purchase of the real property which is intended to be the site of a new police station for the City of Lawrence sometime in the future.

Upon being granted the floor, Councilor Payano posed questions to Business and Economic Development Director Abel Vargas concerning the appraisal submitted by Real Property Services, Inc. of North Andover dated March 15, 2018 filed with the City Clerk and provided to the City Council Members.

Upon being granted the floor, Councilor De La Cruz stated there are various lots available which may help improve the community. She stated she favors the proposal and the appropriation which will fund it.

Upon being granted the floor, Councilor Abdoo stated he favors the investment which is supported by the appropriation presented for approval. He stated that the current building used as the Lawrence Police Station has

[Tuesday, March 20, 2018]

been in poor condition for many years and needs to be replaced. He stated that there have been several plans presented over the years but the City has not taken advantage of the opportunities available to provide a new facility. He stated that the current availability of a site and location to construct a new police station again presents an opportunity which is available and includes the acquisition of other parcels of land to provide a new Lawrence Police Station. He stated that he supports the opportunity and will vote to approve the appropriation in order to allow for the opportunity to provide a new police station in the future.

Upon being granted the floor, Councilor DePena stated he supports the proposed appropriation.

Upon being granted the floor, Councilor Levy stated she disagrees with the sale price and appraisal presented.

Upon being granted the floor, Council Vice President Rodriguez posed questions to Director Vargas regarding the acquisition of the property.

Upon no further discussion, comment or inquiry offered by the Council Members present, Council President Vasquez called upon the Members present to consider the matter presented. Upon a motion to approve the measure presented by Councilor Laplante on March 6, 2018, as seconded by Council Vice President Rodriguez, the Council Members present voted unanimously [8-0] to approve the Appropriation Transfer From: Free Cash to Fund Acquisition of 55 Lowell Street [675,000.00].

He spoke in support of the City purchasing the old cinema.

Frankie Caraballo, 139 Saratoga Street, Lawrence, MA spoke in support of the appropriation transfer appearing on the Council Agenda for the purchase of cameras to be installed by the Lawrence Police Department to be used for public safety.

Homayoun Maali, 53 Chester Street, Lawrence, MA requested that Mayor Rivera support the Lawrence Police Department, Acting Lawrence Chief of Police Roy Vasque, and stated that Mayor Rivera and the Council Members support a contract for the Lawrence Police Officers. He asked that Mayor Rivera support the Lawrence Fire Department, Department of Public Works, Lawrence Public Schools, Lawrence School Teachers and the unions representing the employees of these departments. He praised the efforts of School Commissioner Jeffrey Riley and Teacher’s Union representative Frank McLaughlin. He asked Mayor Rivera to keep his campaign promise to “Save Lawrence, Prosper Lawrence” and stated that he should sign the union agreements for the Lawrence Police Officers and Lawrence Firefighters.

[Tuesday, April 3, 2018]

Joseph D'Amico, 11 Lorenzo Road, Lawrence, MA explained the difference between “low rent” tenants of housing and those receiving housing benefits. He stated that rents will increase in the City of Lawrence because of the recently approved snow removal ordinance which imposes fines on City property owners which will be paid from the rent increases.

Richard Russell, 34 Cross Street, Lawrence, MA stated that the current “Winter Parking Ordinance” doesn't work and needs to be amended. He commended the work of newly appointed Acting Lawrence Police Chief Vasque. He spoke in opposition to the proposed items providing City Council members with parking stickers for their vehicles and identification badges. He also spoke in opposition to the Council Agenda item for a City Civil Rights Ordinance as well as the appropriation for cameras to be used by the Lawrence Police to be placed throughout the City.

[Tuesday, April 3, 2018]

Upon being granted the floor, Councilor Laplante discussed the number of falling trees because of the winter storms that require clean-up.

Upon being granted the floor, Councilor Payano posed questions to Public Works Director Carlos Jaquez about the extent of debris caused by repeated wind and snow storms recently occurring that caused damage and damage to trees throughout the City. Director Jaquez stated that the Public Works Department does not have sufficient staff to provide the work necessary to remove extensive debris and damaged trees throughout the City. He stated that the funds will be applied to provide contractors, additional personnel and overtime of current staff to provide the services necessary to remove debris and trees that are blocking public ways making areas unusable and inaccessible.

Upon being granted the floor, Councilor Reyes informed the Council Members that approximately 10 residents call each day to request public services to remove debris and trees from public property locations. She stated the appropriation will help the Public Works Department provide the services required to remove debris and damaged trees.

Upon being granted the floor, Councilor De La Cruz discussed the tree damage and debris caused by the severe winter storms. She stated she supports the item.

Upon being granted the floor, Councilor Abdoo stated he supports the item stating that the damages cause by fall and winter storms has created access and accessibility issues.

Upon being granted the floor, Councilor Levy asked how the amount of 500,000.00 was calculated. She stated that although the damages and debris need to be removed she is concerned about the amount of the appropriation.

Upon taking the floor, Council Vice President Rodriguez posed questions concerning the clean-up and disposal of resulting waste. Director Jaquez stated that the disposal of waste will be treated safely and in a manner that will be environmentally sound.

[Tuesday, April 3, 2018]

Upon no further inquiry, comment or discussion Council Vice President Rodriguez called the motion presented to approve to the attention of the Council Members present who voted unanimously [7-0] to approve the item.

VIII. COMMITTEE REPORTS:

**Doc. 26/18: Lawrence Public Schools K-8 Enrollment Projection & Plans to Address Capacity Issues –
Counc. Payano – Hous. Cmt. – Withdrawn**

At the request of Council Vice President Rodriguez, Councilor Levy presented the report of the Housing Committee to receive the report of the Budget & Finance Committee. The motion was seconded by Councilor Reyes and unanimously [6-0] received by the Council Members present [Councilor Payano being absent from the Council Chamber at the time the vote was called and recorded].

At the request of Council Vice President Rodriguez, Mary Lou Bergeron Lawrence School Interim Superintendent addressed the Council stating the support of additional housing to meet projected population needs which is expected to increase. She discussed the construction projects at the Oliver School and the Leahy School which will result in better student facilities but will not be sufficient to accommodate the current and future student growth rate in the City of Lawrence.

Upon being granted the floor, Councilor Payano commented that the growth of student population reflects the need for additional housing and to increase the public demand for services.

Upon being granted the floor, Councilor Abdo stated that the City needs to plan for the future. He stated an increase of the City of Lawrence population is projected which will require better planning for housing and City services.

Upon being granted the floor, Councilor De La Cruz commented that the expected increase in the student population has to be addressed with a viable plan to meet the demands such an increase will present.

[Tuesday, April 3, 2018]

Upon being granted the floor, Councilor Laplante stated that City service demands, housing and public property use are the responsibility of the Planning Board and Zoning Board which should be utilized to take action concerning these matters.

Upon taking the floor, Council Vice President Rodriguez posed questions to Superintendent Bergeron regarding school enrollment and attendance levels at the various schools. A discussion ensued between Council Vice President Rodriguez and Councilor Payano regarding providing student enrollment reports and information available to the Zoning and Planning Boards as well as the City Council Members.

X. OLD BUSINESS:

Doc. 7/18: Removal of snow from awnings and sidewalks – modification of Ord. Sec. 12.04.040 - Council Vice Pres. Rodriguez and Councilor Payano-Motion to Reconsider Vote of 3-20-18-Counc. DeLaCruz – Vote to Reconsider Approved – Prior Vote of Approval Affirmed

Upon being recognized, Councilor De La Cruz informed the Council Members that she is requesting the item be presented for reconsideration of the vote cast on March 20, 2018. She stated that she withheld her vote on March 20, 2018 and believed that her silence would be recorded as a “no” vote on the item. She explained that her concern is that snow is that property owners who diligently clear snow from sidewalks they may be responsible to clear may be cited for a violation when City plows clear the street only to deposit the snow from the street on the sidewalks just cleared. She stated that the new ordinance doesn’t make provision for violation that are not due to the actions of the owners who are doing what they are asked to do.

Upon being granted the floor, Councilor Laplante informed the Council Members that a motion to reconsider is required to be presented at the same meeting which the item is voted upon pursuant to Rule 20 of the Lawrence City Council. He suggested that the process to present a motion to reconsider would have to be preceded by a motion to suspend the Rules of the City Council followed by a motion to reconsider the vote to be reconsidered.

Upon being recognized, Councilor Reyes presented a motion to suspend Rule 20 of the Rules of City Council which was seconded Councilor Abdoo and unanimously approved [7-0] approved by Council Members present.

Upon being recognized, Councilor Reyes presented a motion to reconsider the vote on March 20, 2018. The motion was seconded by Councilor Levy and unanimously [7-0] approved by Council Members present.

I. APPROVAL OF MINUTES:

Council President Vasquez informed the Council Members present that the minutes of City Council Meetings conducted April 3, 2018 were submitted by the City Clerk for consideration and acceptance of the City Council Members. Upon the motion of Councilor Reyes to approve the minutes as presented duly seconded by Councilor Levy, the Council Members present voted unanimously [7-0] to approve the minutes of April 3, 2018.

II. PUBLIC PARTICIPATION:

Council President Vasquez requested those who wished to provide public input and participation to present themselves and address the City Council. Upon the invitation of Council President Vasquez, the following individuals addressed the City Council:

[Tuesday, April 17, 2018]

Francis Cialek, 245 Broadway, Lawrence, MA stated that he believes Lawrence Hester deserves to be in the City of Lawrence Basketball Hall of Fame. He stated the Senior Center helps the elderly by providing “meals on wheels” and commented that Lawrence Police Officers and Lawrence Fire Fighters deserve pay raises. He stated that the City of Lawrence should buy the Showcase Cinema and that all City employees deserve a pay raise.

Homayoun Maali, 53 Chester Street, Lawrence, MA requested that Mayor Rivera support the Lawrence Police Department, Acting Police Chief Roy Vasque, and to support the proposed contract for the Lawrence Police. He stated that the Mayor should also support the Lawrence Fire Department, Department of Public Works, Lawrence Public Schools, Lawrence School Teachers and the unions for each of the workers of these City workers. He praised the efforts of Department of Education Commissioner Jeffrey Riley and the Teacher’s Union representative Frank McLaughlin for their efforts to improve education in Lawrence. He asked Mayor Rivera to keep his campaign promise to “Save Lawrence, Prosper Lawrence” and urged the Mayor to sign the pending union agreements for the Lawrence Police Officers and Lawrence Firefighters.

Dalia Diaz, 315 Mt. Vernon Street, Lawrence, MA spoke in support of the work of the City Council Members. She spoke of an incident occurring during a recent City Council Subcommittee meeting where Acting Police Chief Roy Vasque was disrespected. She stated that he deserves an apology.

Jeffrey Petrillo, 341 South Broadway, Lawrence, MA discussed parking violations occurring in front of his house during 1994-1995 that were not cited as violations stating that he has been issued citations for recent parking violations suggesting that he is being targeted by the police. He stated that there are other issues concerning zoning laws that are being purposely ignored by the City Inspectional Services Department which affects the use of his property.

Richard Russell, 34 Cross Street, Lawrence, MA stated that City Council Members should not arrive late or leave early at the Subcommittee meetings as they have been during the last few months. He suggested Ordinance Subcommittee failed to follow proper procedure by allowing testimony concerning the use of public surveillance cameras and the impact it will have on crime and the general public.

[Tuesday, April 17, 2018]

[7:23 p.m. – Council President Vasquez left the Council Chamber assigned Councilor Laplante as temporary Chair of the Lawrence City Council being the elected Council Member with the greatest seniority in service to the Lawrence City Council]

Upon no further comments offered by the public on any matter, Councilor Laplante closed the Public Comment portion of the City Council proceedings.

III. PUBLIC HEARINGS:

Doc. 113/18: Appropriation Transfer - From: Free Cash to Special Account for Police Cameras [150,000.00] - Mayor Dan Rivera – Public Hearing held – Approved

At the request of Council President Vasquez, the City Clerk read the public hearing notice regarding the above as published. Upon the conclusion of the Clerk's reading of the public notice, Council President Vasquez opened the public hearing portion of the proceedings and invited anyone who wished to be heard to present themselves before the Council Members.

Homayoun Maali, 53 Chester Street, Lawrence, MA spoke in support of the appropriation suggesting the recordings obtained may be used as evidence of crime before the court.

Francis Cialek, 245 Broadway, Lawrence, MA stated that live testimony is necessary to support any video evidence before the court. He stated that money would be better spent paying police officers to testify in court.

[7:26 p.m. – Council President Vasquez returned to the Council Chamber and resumed as Chair]

Nelson Boutin, 34 Cross Street, Lawrence, MA spoke in support of the item. He stated it will help keep people safe.

Richard Russell, 34 Cross Street, Lawrence, MA stated that the money spent to purchase public surveillance cameras would be wasted. He stated that the amount being appropriated is insufficient and the funds necessary to provide for a surveillance system that works properly with technical support and employees is far greater than the amount being requested.

Frankie Caraballo, 139 Saratoga Street, Lawrence, MA spoke in support of the proposed appropriation to purchase public surveillance cameras and informed the Council Members that he had presented a petition signed

[Tuesday, April 17, 2018]

by several supporters to propose surveillance cameras last year. He stated that there must be controls over the cameras and any information recorded to assure the system is used properly and for its intended purpose.

Susan Santos, 179 Exchange Street, Lawrence, MA spoke in support of the proposed appropriation of public surveillance cameras to help with public safety.

Mr. Rosario, 322 Ames Street, Lawrence, MA spoke in support of the proposed appropriation to purchase public surveillance cameras.

Upon no further discussion or comment offered by anyone present, Council President Vasquez closed the public comment portion of the proceedings and called upon the Council Members present to offer comment or discussion.

Upon being granted the floor, Councilor Laplante presented a motion to approve the item which was seconded by Councilor Reyes.

Upon being granted the floor, Councilor Payano suggested the City Council “table” the item to allow the City Council to explore appropriate regulations prior to approval of the appropriation transfer for the purchase of public surveillance cameras.

Upon being granted the floor, Councilor De La Cruz stated that regulations should be presented together with the proposed appropriation transfer of fund to be used to purchase public surveillance cameras. She stated she does not support “tabling” the item at this time.

Upon being granted the floor, Councilor Laplante stated that approval of the item will begin the process to purchase the cameras which the Council could review and approve regulations for their use which would be available probably by the time the cameras are ready to install and use. He suggested the cameras may be available for use by late May or early June.

Upon being granted the floor, Councilor Payano stated the proposed regulations would be available and presented to the Council in early May.

[7:48 p.m. - Councilor Abdoo arrived at the meeting]

[Tuesday, April 17, 2018]

Upon being granted the floor, Councilor Reyes stated that the item should be addressed by the Council Members without delay. She stated the public has expressed concern about the locations where the surveillance cameras would be placed.

Upon being granted the floor, Councilor De La Cruz posed questions to Acting Police Chief Vasque about the intended use of surveillance cameras. Acting Chief Vasque stated the recordings would be used to view, prevent and prosecute criminal activity. In response to Councilor De La Cruz' question concerning the location of surveillance cameras, Acting Police Chief Vasque stated that locations for placement of cameras had not been yet selected and would be presented after a review and study of the locations where would be most effective.

Upon being granted the floor, Councilor Payano informed the Council Members that he has suggested the item be "tabled" in order to complete necessary work of the Council before they are ready to install. Upon conclusion, Councilor Payano presented a motion to "table" the item. The motion failed for lack of a second.

Upon no further discussion, comment or inquiry offered by the Council Members present, Council President Vasquez closed the discussion portion of the proceedings and called upon the Members present to consider the matter presented. Upon the motion to approve presented by Councilor Laplante, as seconded by Councilor Reyes, the Council Members present voted by roll call vote to approve the appropriation transfer as follows: Yes-6; No-2; Absent-1

Councilor Estela Reyes - No

Doc. 31/18: Removal of deed restriction [Book 4579, page 88] from the City of Lawrence to Katherine O’Conner-Frank S. Giles, II - Hsg. Cmt. – Approved

At the request of Council President Vasquez, Councilor Laplante presented a motion to receive the report of the Housing Committee without a recommendation. The motion was seconded by Councilor Reyes and unanimously [7-0] received by the Council Members present [Councilor Levy being absent from the Council Chamber at the time the vote was called and recorded].

Upon being granted the floor, Councilor Payano presented a motion to approve the item as presented which was seconded by Councilor Reyes.

Attorney Wendy Estrella appeared on behalf of Winston Almanzar, the petitioner, who presently owns the real property subject to the deed restriction which Attorney Estrella informed the Council Members prevents her client from building on the vacant land he owns which if allowed would enhance the value of the property. Attorney Estrella provided the Council Members with a history of proceedings concerning the property resulting in a deed restriction that allows the owner to use the property as a yard to the adjacent home. She stated that conditions have changed that will allow her client to build on the real property and confirmed that lawful variances have been already approved by the Zoning Board of Appeals for the City of Lawrence leaving the deed restriction which must be addressed by the City Council because it was imposed by vote of the City Council with the initial transfer of title from the City of Lawrence.

Upon being granted the floor, Councilor De La Cruz asked the petitioner of the proposed construction and if he would consider installing a sidewalk.

[Tuesday, April 17, 2018]

Upon being granted the floor, Councilor Laplante stated that the fair market value of the property would be reduced due to the deed restriction. He stated the reduced value may have been reflected in the purchase price paid by Mr. Almanzar when he purchased the property. He stated that the deed restriction was placed on the property for some reason but that he is willing to follow the determination of Councilor De La Cruz who represents District A [where the property is located].

Upon being granted the floor, Councilor Reyes stated she supports the petition to allow the owner to build on the property.

Upon being granted the floor, Councilor Payano stated the restriction in originally placed on the deed to encourage construction of a single family home. He stated that the proposed construction of a multi-family home will impact the neighborhood and stated that if the neighbors in the area support the petition to remove the deed restriction then the City Council Members may vote in favorably on the petition to support the neighborhood.

Upon being granted the floor, Councilor DePena clarified that the installation of betterments like a sidewalk is the responsibility of the City of Lawrence. He informed the Council Members that property owners cannot install sidewalks even if they agreed to do it.

Upon being granted the floor, Councilor Levy commented that guide lines or an ordinance should be considered to provide a process and procedure for the removal of restrictive covenants placed on deeds.

Upon no further discussion, comment or inquiry offered by the Council Members present, Council President Vasquez called upon the Members present to consider the matter presented. Upon a motion to approve the item presented by Councilor Payano, as seconded by Councilor Reyes, the Council Members present voted unanimously [8-0] to approve the item.

property as presented. The motion was seconded by Councilor Reyes and unanimously [8-0] approved by the Council Members present.

Upon being granted the floor, Councilor Laplante presented a motion to reconsider the vote to approve the disposition of the property just approved by unanimous vote of the Council Members. The motion was seconded by Councilor Payano and unanimously [8-0] approved by Council Members present.

Upon being recognized, Councilor Laplante then presented a motion to deny the disposition of the real property presented which was seconded by Councilor Payano.

Upon being granted the floor, Councilor Laplante explained that he opposes disposition presented and would be inclined to support a disposition that would allow for commercial construction on the property site in the future.

Upon being granted the floor, Councilor Payano stated he has an issue with providing expanded residential property stating that additional housing must be considered for the expected increase in the student population.

Upon being granted the floor, Councilor De La Cruz stated that the City of Lawrence also needs to address housing for the homeless which remains a persistent problem. She suggested affordable housing should be a component of the proposed disposition and sale with consideration provided to residents of median income levels. She also stated that additional parking should be provided.

Upon being granted the floor, Councilor Abdo expressed concern about the proposed disposition and other property issues offered with a complete disconnect to the demands that housing creates for public safety and the public schools. He stated that although he support the proposal presented for approval, he may be more attentive to proposals for residential construction presented without addressing the burdens placed upon public safety and the educational facilities in the future.

Upon being granted the floor, Councilor Reyes stated she supports the proposal due to the lack of emergency housing and other housing demands that can be met only with new housing stock.

[Tuesday, April 17, 2018]

Upon being granted the floor, Councilor De La Cruz posed questions to Abel Vargas, Business Development Director concerning the necessity of providing school and other services to the residents that will result from the construction project. In response, Director Vargas stated he cannot commit to providing secondary services stating that the installation and management of municipal services that may be a result from housing of additional residents at this or any location would be the responsibility of other City departments with the payment of costs and expenses drawn from tax revenue paid by the residents affected or paid as taxes from the purchaser of the property.

Upon being granted the floor, Councilor Laplante discussed the increased need to provide schools for the children occupying the new housing units at 377-386 Essex Street. He discussed the housing study completed recently and the statutory requirement to provide low and moderate income housing questioning if neighboring cities and towns are sufficiently sharing the statutory responsibility and obligation to create and establish housing suitable for low and moderate income residents. Director Vargas stated that if the proposal is not supported by the Council Members the current ability to obtain high rental value coupled with the lack of available housing might force businesses who construct housing and businesses may look to build in New Hampshire as an economical alternative.

Upon being granted the floor, Councilor Abdoo stated that affordable housing in Lawrence cannot be expanded in the future without appropriate consideration and provisions for the increased demand on public safety and education.

Upon being granted the floor, Councilor Payano discussed concern about the proposal for use of the real property.

Upon being granted the floor, Councilor De La Cruz re-stated that two more schools will be necessary to provide sufficient educational facility for children of residents whether or not the project presented is completed along with the proposal for affordable housing at 370 Essex Street. She also stated that the construction of housing should be managed by Lawrence residents.

IX. TABLED MATTERS:

Doc. 264/17: Proposed Ordinance to Regulate Mobile Food Vendors – Brian T. Corrigan, Assistant City Attorney – Public Hearing – Approved with Amendments

Councilor Payano presented a motion to remove the item from the table which was seconded by Councilor Reyes and unanimously approved by the Council Members present [8-0].

Upon being recognized, Assistant City Attorney Corrigan provided the Council Members present with a history of the measure and introduced Ethan Zorilla, a resident of Lawrence who wished to address the Council Members about issues concerning Food Truck Vendors that have occurred.

Upon being recognized, Mr. Zorilla stated that Food Trucks that operate near his home late in the evening and often until 3:00 or 4:00 a.m. serving patrons who are leaving liquor establishments and bars where they may have consumed alcohol. He stated these patrons are loud, disruptive and disrespectful and sometimes violent causing the police to arrive who either disperse the crowd of patrons or arresting them if necessary. He stated that the Food Truck patrons also leave trash behind which the neighboring residents have to pick up. He urged the Council Members to approve the proposed ordinance which he believes may provide some reasonable regulation to those who operate Food Trucks and will provide the police with necessary enforcement tools.

[Tuesday, April 17, 2018]

Council President Vasquez reviewed the legislative proceedings on the measure presented informing the Council Members that the measure was last considered by the Council Members on January 16, 2018 which was presented at a public hearing that was held and closed resulting in a motion to approve the measure with amendments presented by Council Vice President Rodriguez and duly seconded. Council President Vasquez further informed the Council Members that a vote on the motion presented by Council Vice President Rodriguez on January 16, 2018 is pending.

[Clerk’s Note: the following amendments to the measure were presented by Council Vice President Rodriguez on January 16, 2018 together with a motion to approve the measure- **amendments shown as stricken through with amended language inserted, if any, and highlighted in bold font:**

Section 5.53.090 - Restricted Zones of Operation

or any other area where parking is prohibited. **Excluding Broadway Street from Haverhill Street to Common Street, Common Street from Lawrence Street to Jackson Street, and Lawrence Street from Common Street to Haverhill Street. The City may from time to time promulgate regulations to further restrict zones of operation and/or to establish allowed zones of operation [amended by adding: 4-17-18].**

The motion to amend section 5.53.090 was seconded by Councilor Laplante commenting that the proposed ordinance will improve the operations of Food Trucks in the neighborhoods.

Upon no further comments, discussion or inquiry by the Council Members present, Council President Vasquez called the motion to amend section 5.53.090 to the attention of the Council Members who voted unanimously [8-0] to approve the amendment as presented.

Upon being granted the floor, Councilor Payano presented a motion further amend the proposed measure by amending section 5.53.100(A) of the proposed measure by adding the following language **[the amendment presented is highlighted in bold font]:**

Section 5.53.100 - Conditions of Operation

- A. Unless otherwise provided, no mobile food vendor licensee shall operate between the hours of 3:00 a.m. and 7:00 a.m. Eastern Standard Time from Sunday to Friday, and between the hours of 4:00 a.m. and 7:00 a.m. Eastern Standard Time on Saturday. [amended by adding: 4-17-18].**

The motion to amend section 5.53.100(A) of the proposed measure was seconded by Councilor Laplante. A discussion ensued among the Council Members concerning the proposed amendment presented for consideration.

Upon being recognized, Councilor Laplante posed questions to Assistant City Attorney Brian Corrigan concerning the proposed amendments to the measure offered by Councilor Payano. In response, Assistant City Attorney Corrigan informed the Council Members that the proposed amendments presented this evening for consideration were discussed and reviewed by the Lawrence Police and the Vendor Advisory Committee. He stated they are both aware of the amendments and will work with the measure the Council may approve.

Councilor Laplante also inquired about the number of Food Truck Vendors licensed in 2017 which Assistant City Attorney Corrigan stated that there were 17 Food Truck Vendor Licenses issued by the Office of the City Clerk in 2017.

[Tuesday, April 17, 2018]

Upon taking the floor, Council President Vasquez informed the Council Members how the proposed ordinance will operate and the manner that currently licensed Food Truck Vendors will be “grandfathered” to secure their licenses and ability to continue operating.

Upon no further comments, discussion or inquiry by the Council Members present, Council President Vasquez called the motion to amend section 5.53.100(A) to the attention of the Council Members who voted unanimously [8-0] to approve the amendment as presented.

Council President Vasquez announced that the motion to approve presented by Council Vice President Rodriguez as seconded by Councilor Laplante on January 16, 2018 remains pending and called upon the Council Members to consider the motion to approve. Upon the motion to approve presented on January 16, 2018 presented by Council Vice President Rodriguez and seconded by Councilor Laplante, the Council Members present voted unanimously [8-0] to approve the measure with the amendments adopted on January 16, 2018 and at this session of the City Council.

Doc. 264/17: Approved with Amendments

Upon addressing the Council Members, Council President Vasquez informed the Council Members that the Ordinance Committee has repeatedly attempted to elect a Vice Chair and has not been able to elect the Vice Chair of the Ordinance Subcommittee. As a result he stated that he appoints Vice President Jeovanny Rodriguez as the Vice Chair of the Ordinance Subcommittee pursuant to his authority to appoint Subcommittee Members inherent to the duties and responsibilities as President of the City Council.

III: PUBLIC HEARINGS:

**Doc. 126/18; Office of Planning and Development - Community Development Block
Grant [1,518,368.00 +/-10%] and HOME Grant-[683,039.00 +/- 10%] –
Vilma Martinez-Dominguez – Public Hearing held - Approved**

At the request of Council President Vasquez, the City Clerk read the public hearing notice regarding the above as published. Upon the conclusion of the Clerk's reading of the public notice, Council President Vasquez opened the public hearing portion of the proceedings and invited anyone who wished to be heard to present themselves before the Council Members.

Upon no discussion or comment offered by anyone present, Council President Vasquez closed the public comment portion of the proceedings and called upon the Council Members present to offer comment or discussion.

Upon being granted the floor, Councilor Reyes presented a motion to approve the item presented. The motion to approve the item was seconded by Council Vice President Rodriguez.

Upon being granted the floor, Councilor De La Cruz stated that not all organizations in need of funding do not appear on the list of those selected for award in the budget presented for consideration of approval.

Council President Vasquez explained the CDBG Budget award and approval process for the Council Members. A discussion ensued between Councilor De La Cruz and Council President Vasquez about the process explained.

[Tuesday, May 1, 2018]

Upon being granted the floor, Councilor Reyes recognized Vilma Martinez-Dominguez, Community Development Director, who provided further information concerning the CDBG process emphasizing the application and approval required by the Housing and Urban Development [hereinafter referenced as HUD] who funds and oversees all grant awards and approvals.

Upon being granted the floor, Councilor Laplante discussed the work provided by Community Development Department regarding the CDBG budget process each year stating that many programs that deserve funding are not provided funding on the list of awards. He stated that although many programs that could be approved may not qualify there is likely a reason that they are not on the list of those recommended for funding presented to the Council for consideration of approval. He commended the Planning Department for their efforts providing the approval process within the HUD requirements each year and stated that other worthy programs may likely be approved in the future.

Upon being granted the floor, Council Vice President Rodriguez stated there are many great programs that are not provided funding through the 2019 proposed CDBG Budget this year and agreed with Councilor De La Cruz that the “Beyond Soccer” sports program is one of those unfunded programs who provide young people in Lawrence with soccer activities.

Upon being granted the floor, Councilor Payano discussed the CDBG Budget process and the grant award and funding process.

Upon being granted the floor, Councilor Levy asked questions of Director Martinez-Dominguez who explained how applicants present proposals and the manner of selection and award.

Upon being granted the floor, Councilor Reyes informed the Council Members about the funding committee meetings and public input provided during the selection and award process.

Upon no further discussion, comment or inquiry offered by the Council Members present, Council President Vasquez closed the discussion portion of the proceedings and called upon the Members present to consider the matter presented.

[8:09 p.m. - Council Vice President Rodriguez presented a motion to recess Council proceedings, which was duly seconded by Councilor Reyes and unanimously approved by the Council Members present [9-0]]

[8:25 p.m. - Councilor Abdo presented a motion to resume proceeding as seconded by Councilor Reyes and unanimously approved by the Council Members present [9-0]]

Upon being granted the floor, Councilor Payano presented a motion to amend the Memorandum of Agreement and requested leave to present three proposed amendments individually for consideration of the Council Members. The motion was seconded by Council Vice President Rodriguez.

Upon continuing, Councilor Payano provide the Council Members with the “first proposed amendment” as follows:

Amend Memorandum of Agreement dated March 29, 2018 by striking the following language from Paragraph 1. Sale – appearing on page one of said agreement: “..... or until the properties are no longer owned by a not for profit corporation.”

[Referenced as Amendment #1]

Upon being granted the floor, Councilor Laplante inquired of Council Payano who explain the intent of the proposed amendments was to allow the prospective owner with greater flexibility to market the real property.

Upon no further inquiry, comment or discussion the Council Members present voted unanimously [9-0] to approve the first amendment.

Upon continuing, Councilor Payano provide the Council Members with the content of the “second proposed amendment” as follows:

[Tuesday, May 1, 2018]

Amend Memorandum of Agreement dated March 29, 2018 by striking the following language from Paragraph 1. Sale – appearing on page one of said agreement:

“The Buyer shall meet and comply with all City of Lawrence’s Zoning Requirements, including but not limited to, providing sufficient parking for the project. This shall include securing a lease for the required number of parking space prior to closing.”

And replacing it with the following sentence:

“The Buyer shall make parking available at the sole discretion of the Buyer”

[Referenced as Amendment #2]

Upon being granted the floor, Councilor Payano presented a motion to approve the second amendment to the Memorandum of Agreement as presented. The motion was seconded by Council Vice President Rodriguez and unanimously [9-0] approved by the Council Members present.

Upon continuing, Councilor Payano provide the Council Members with the content of the “third proposed amendment” as follows:

Amend Memorandum of Agreement dated March 29, 2018 by adding the following sentence to the language in Paragraph 1. Sale – appearing on page two of said agreement: “More specifically, families with children already in a school located in the City of Lawrence.”

The following paragraph to appear as follows:

“Upon completion of the project, the Buyer represents that it shall use a Lottery System to select low-income qualified Tenants to Rent Units of Property. *More specifically, families with children already in a school located in the City of Lawrence.* The Buyer agrees to establish a method to provide preference for tenants who can be verified as families who are under housed.” *(emphasis supplied).*

[Referenced as Amendment #3]

Councilor Payano presented the proposed amendment as a motion to approve the third proposed amendment which was seconded by Council Vice President Rodriguez and unanimously [9-0] approved by the Council Members present.

[Tuesday, May 1, 2018]

Upon being granted the floor, Council Vice President Rodriguez suggested that a copy of the By-Laws of The Greater Lawrence Community Action Council [hereinafter referenced as GLCAC] be attached to the agreement. Council Vice President Rodriguez posed questions to the GLCAC representative [unidentified] who stated that the proposed amendments to the Memorandum of Agreement for the sale/purchase of the parcels would help complete the transaction.

Upon being recognized, Director Abel Vargas explained the real estate will generate tax revenue that has not been available for a number of years due to being in distress.

Upon continuing, Council Vice President Rodriguez clarified that even though the GLCAC and its holdings are a tax exempt non-profit organization it would be paying real property taxes to the City of Lawrence on the parcels purchased as a voluntary participant in the pilot program recently established.

Council Vice President Rodriguez presented a motion to attach the by-laws to the Memorandum of Agreement as seconded by Councilor Payano.

Upon being granted the floor, Councilor Laplante suggested that Veterans be considered in the housing eligibility criteria. He also stated that additional housing creates additional obligations for the City of Lawrence to provide education, public safety and other services increasing costs commensurately.

Upon being granted the floor, Councilor De La Cruz agreed with that Veterans should be considered eligible for the housing that will soon be available at these locations. She stated she would like to be included in the housing application process review.

Upon being granted the floor, Councilor Payano discussed the application process and was assisted by the GLCAC representative [unidentified] who further explained the housing application and eligibility process.

Upon being granted the floor, Councilor De La Cruz asked if a “community room” could be included in the final construction of the housing complex. In response, Director Vargas questioned the feasibility of providing a community room as suggested.

[Tuesday, May 1, 2018]

Upon no further inquiry, comment or discussion on the motion to approve the third proposed amendment presented by Councilor Payano, the Council Members voted unanimously [9-0] to approve the third amendment as presented.

Upon being granted the floor, Councilor Payano inquired about the pending motion to attach the by-laws to the Memorandum of Agreement presented by Council Vice President Rodriguez earlier in the session. Council President Vasquez called the motion to the attention of the Council Members present who unanimously [9-0] approved the motion as presented.

Upon being granted the floor, Council Vice President Rodriguez presented a motion to approve the sale of the real property as presented in Document 60/2017 for the transfer of title to City owned real property located at 370 Essex Street with the approved amendments. V. NEW BUSINESS:

Doc. 168/18: Americans with Disabilities Act: Investigation of City of Lawrence Regarding Polling Place Accessibility – U.S. Department of Justice – [Executive Session Anticipated] – Charles D. Boddy, City Attorney – Ref. to Committee of the Whole

Council President Vasquez introduced the item and informed the Council Members the matter is presented by City Attorney Charles D. Boddy for immediate attention of the Council Members.

Upon being recognized, Councilor Levy presented a motion to suspend the Rules of the City Council to allow the Council Members to immediately address the matter presented. The motion was seconded by Councilor Payano and unanimously [9-0] approved by the Council Members present.

Attorney Boddy addressed the City Council Members and informed the Members of the action initiated by the Department of Justice [hereinafter referenced as: DOJ] citing the City of Lawrence for certain claimed violations of the American with Disabilities Act [hereinafter referenced as: ADA] at all of the 16 buildings used as polling places for voters in the City of Lawrence. City Attorney Boddy discussed the alleged violations in general informing the Council of the seriousness of the action by the DOJ and stated that the City of Lawrence may be subjected to fines for failing to make repairs and comply as demanded by the Justice Department. Attorney Boddy suggested that the City Council take immediate action by referring the item for further proceedings before the Committee of the Whole of the City Council for the purpose of creating a “Task Force” to review the violations

[Tuesday, May 1, 2018]

presented and to initiate remedies to each of the items cited. Attorney Boddy suggested that the Council may wish to include the following as member of the “Task Force”:

Richard Rodriguez, Commission on Disabilities Director;
 Carlos Jaquez, Director of Public Works;
 Milagros Puello, City Engineer;
 Ruben Perez, Election Division;
 William Maloney, City Clerk;
 Christopher Merlino, Building Superintendent Lawrence Schools;
 A representative of the City Attorney’s Office [to be selected];
 Mark Ianello, Finance Director;

With an invitation to be extended to the Mayor to attend or assign a representative.

Upon being granted the floor, Council Vice President Rodriguez presented a motion to create a “Task Force” as recommended by City Attorney Boddy. The motion was seconded by Councilor DePena.

Upon being granted the floor, Councilor De La Cruz asked how urgent the matter. City Attorney Boddy stated very urgent an requires immediate action. Councilor De La Cruz asked about the expected cost of repairs which City Attorney Boddy stated that City Clerk Maloney has suggested the cost may be as much as 200,000.00 which may be a conservative estimate.

Upon being granted the floor, Councilor DePena inquired about the allegations presented by the DOJ which Attorney Boddy indicated were not sufficiently specific to allow for an exact plan to remediate. Attorney Boddy explained that initial discussion with assigned Counsel from the DOJ were not very productive because of the lack of specificity. He explained that there were periods when the DOJ Counsel and he were unable to reach each other by phone and photographs of the cited locations were lost in email transmission causing delay. He also stated that a change of the United States Attorney to the District by newly elected President Trump in November 2016 has caused even more delay in this matter. However, the City of Lawrence should not rest on the delay as a reason to lessen the urgency that the DOJ placed on full and immediate compliance with ADA standards as it applies to the poll locations cited. He also informed the Council that the DOJ has been very explicit in its memo to the City of Lawrence explaining that the inspection conducted by agents of the DOJ resulting in violation citations concerning

[Tuesday, May 1, 2018]

access to City polling places is not to be considered a comprehensive violation attributable to the buildings which may be used for other purposes and is limited in its application to the used of the buildings as poll locations by the City. In short, the violations cited are specifically limited to address ADA violations cited at each of the poll locations. Attorney Boddy also informed the Council Members that the Council may consider moving poll locations to be placed only in buildings that are owned solely by the City of Lawrence and abandon all poll locations in buildings the City does not own in order to effectuate repairs only to buildings the City owns. This approach will remove any issues concerning the use of public money to finance repairs to buildings the City of Lawrence does not own. It will also assure that completed repairs to City owned buildings are financed, controlled and effective. Attorney Boddy concluded by warning that a failure to act would not be favorably treated by the DOJ who may initiate legal action and assess fines that it would require be paid which could amount to as much as 50,000.00. He stated that it would be more productive for the City of Lawrence to make necessary arrangements to finance ADA repairs rather than pay fines and still be required to finance repairs.

Upon being granted the floor, Councilor Levy posed questions to Attorney Boddy about the response by the Department of Justice to obtain compliance.

Upon no further inquiry, comment or discussion Council President Vasquez called the motion to create a Task Force and Council Members present voted unanimously [9-0] to approve creating a “Task Force” to address the violations cited by the DOJ.

Council President Vasquez announced that appointment of the following individuals to the “Task Force” who would be notified to attend the next session of the Committee of the Whole:

Richard Rodriguez, Commission on Disabilities Director;
 Carlos Jaquez, Director of Public Works;
 Milagros Puello, City Engineer;
 Ruben Perez, Election Division;
 William Maloney, City Clerk;
 Christopher Merlino, Building Superintendent Lawrence Schools;
 A representative of the City Attorney’s Office [to be selected];
 Mark Ianello, Finance Director;
 A member of the general public who is a registered voter [to be announced later];

[Tuesday, May 1, 2018]

Council President Vasquez stated he would send an invitation to Mayor to attend or assign a representative from his office to attend the Committee of the Whole session and other meetings of the “Task Force” as its meetings are scheduled.

Council President Vasquez referred the matter to the Committee of the Whole for further proceedings.

IX: Communication from Mayor, City Officials & City Attorney:

**Doc. 171/18: Presentation by Lawrence Faith Community Against Crime –
Council Pres. Vasquez – Presented/Withdrawn**

Presentation was given by Lawrence Faith Community against Crime.

Upon being granted the floor, Councilor De La Cruz asked the group about presentations about Domestic Violence topics to be forwarded to the Lawrence Public Schools for their attention and use.

Upon being recognized, Pastor Santos informed the Council Members that the presentation is representative of the belief in education as the key to address crime in the City that is shared by the Pastors in the Community.

Upon being granted the floor, Councilor Payano discussed the cultural beliefs stating that violence is often a result of behavior that may be learned in the home. In response, Pastor Santos emphasized the need to instill and emphasize positive behavioral attitudes among the children and families.

Upon being granted the floor, Councilor Reyes thanked the Pastors for the presentation and pledged the continued support of the City Council Members.

[Tuesday, May 1, 2018]

Upon being granted the floor, Councilor Laplante commented that Church leaders historically have always met social challenges in Lawrence and noted that the strong support of the Pastors is known and appreciated.

Upon no further inquiry, comment or discussion Councilor Reyes moved to withdraw the item which was seconded by Councilor Payano and unanimously [9-0] approved for withdrawal from the Council Agenda by Council Members present.

The motion was seconded by Councilor Reyes and unanimously approved by the Council Members present [9-0].

At the request of Council President Vasquez, Councilor Abdoo presented the report of the Personnel Committee informing the Council Members that the report presented recommends the appointment of Roy Vasque be appointed as the Chief of the Lawrence Police Department. He further stated that the Personnel Committee voted to provide a favorable recommendation for consideration of the Council Members and presented the report in the form of a motion to approve the appointment of Acting Chief Roy Vasque to be approved as the Chief of the Lawrence Police Department. The motion was seconded by Councilor Reyes.

Councilor Abdoo continued by informing the Council Members that the Police Chief Selection Committee met with the assistance of Personnel Director Frank Bonet and conducted interviews of four applicants seeking appointment and approval as Chief of the Lawrence Police. As a result of the interview and review process the Selection Committee recommends the Council Members favorably consider the appointment of Captain Roy Vasque as permanent Chief of the Lawrence Police Department. Councilor Abdoo spoke in support of the

recommendation stating that he supports the approval of the recommendation and that he will vote in favor of the appointment of Roy Vasque as Chief of the Lawrence Police Department.

Upon being recognized, Mayor Rivera addressed the City Council stating the reasons for presenting his recommendation and support of Captain Roy Vasque to be approved by the City Council Members as Chief of the Lawrence Police Department. Mayor Rivera presented a summary and review of the record of service of Roy Vasque as a member of the Lawrence Police Department as a Patrolman, a Detective and presently the Acting Chief of the Lawrence Police Department.

Upon being granted the floor, Councilor Laplante posed questions to Acting Chief Vasque concerning his opinion and approach to the opioid epidemic in the City of Lawrence. In response, Acting Chief Vasque stated the crisis requires is an epidemic that required national attention and resolution. He stated that the approach of the Lawrence Police Department has been and will continue to be an attack of the use and distribution “street by street”. He also stated that treatment programs need to be in place citing the H.E.L.P. Program initiated in Lawrence by the Lawrence Police Department as being a positive and effective approach.

Upon being granted the floor Councilor Payano inquired about the efforts that would be supported to modernize the Lawrence Police Department and how the Lawrence Police may interact positively with the public to obtain better results. In response, Acting Chief Vasque stated that officers need to be present “in the community” by the use of active foot patrols, bicycle patrols and continuous and ongoing neighborhood discussions. Councilor Payano asked how Community respect and support could be improved – Acting Chief Vasque responded by stating that Mayor Rivera has hired and will likely continue to hire police officers of Latino descent to enhance the enforcement efforts of the Lawrence Police by improving the connection officers have to the Community being served. Councilor Payano stated that recruiting officers from within the Community may be of greater assistance to help law enforcement who may be from the neighborhood they police. Acting Chief Vasque commented that an increasing number of Lawrence Police Officers reside in Lawrence which helps them better

[Tuesday, May 15, 2018]

serve the neighborhoods. He also stated Lawrence is on the forefront of actively recruiting and hiring more female officers than any other community.

Upon being granted the floor, Council Vice President Rodriguez asked about enforcement of narcotic laws. Acting Chief Vasque stated that the combined efforts of the Narcotics Unit, the Gang Unit and the Stolen Motor Vehicle Unit work to jointly stem crime across the spectrum of these offenses which are often intertwined with each other. He stated that the approach has been a productive response to avert many of these crimes that are connected to one another through better communication between the officers in each of these enforcement units to recognize offenders and potential offenders. Council Vice President Rodriguez also inquired about the approach he would take toward domestic violence - Acting Chief Vasque stated that providing professional assistance to victims of domestic violence to break the “cycle of violence” and “victimization” that is inherent to the problem serves the victim and the community by reducing the occurrence of offenses. He informed the Council Member that the Lawrence Police Department maintains a 97% clearance rate of arrest in regard to crimes of domestic violence. Council Vice President Rodriguez asked about the expectation to assign female officers as detectives – In response, Acting Chief Vasque stated that he favors assigning more female officers as detectives but that will take some time to put into place. Council Vice President Rodriguez asked about the organizational structure of the Lawrence Police Department and how it may be adjusted to improve service – In response, Chief Vasque stated that more officers are needed and are being assigned to patrol the neighborhoods which helps effective response and response time to street crime. Council Vice President Rodriguez also inquired about the extended use of Community Police Officers. Acting Chief Vasque stated that Auxiliary Police are a useful and important part of law enforcement in the City of Lawrence by providing services that would otherwise be required of full time police officers which allows Lawrence Police Officers to be assigned to tasks that require their attention and abilities.

Upon being granted the floor, Councilor De La Cruz stated that there is considerable community support to approve the appointment of Roy Vasque as Chief of the Lawrence Police Department and thanked him for his hard work and being responsive to inquiries and requests.

[Tuesday, May 15, 2018]

Upon being granted the floor, Councilor Reyes stated that Mayor Rivera has been open to comments and suggestions which resulted in the nomination of Captain Roy Vasque to the position of Police Chief. Councilor Reyes also stated that there is a noticeable improvement in the service provided by the Lawrence Police and the approved appointment of Roy Vasque will continue the positive trend.

Upon being granted the floor, Councilor DePena stated that the Chief of Police needs to work with the community and asked questions about methods that will be used to reduce street crime and prostitution along the Broadway corridor. In response, Chief Vasque stated that an increased presence and visibility along Broadway and other high crime areas will help curb crime in those areas commenting that the basis of most of not all street crime activity is related to substance abuse that needs to be addressed in order to reduce crime. Councilor DePena commented that police officers need to speak and understand Spanish in order to properly serve the community made up mostly of people of Hispanic descent. Acting Chief Vasque stated hiring officers fluent in Spanish is a priority which only improves service in the neighborhoods.

Upon being granted the floor, Councilor Levy commented that the City of Lawrence faces many challenges and asked if there is any plan to approach these difficulties over the next two years. In response, Acting Chief Vasque stated that the Lawrence Police are committed to improving service which can be achieved with improved training. He stated that one of his goals is to work toward the construction of a new police station stated that the current facility is in poor condition and is not suitable as a public safety building needed to properly serve the public. Councilor Levy asked what he would change currently - Acting Chief Vasque stated that he expects the Lawrence Police Department will be able to provide improved service and will be more responsive to the community within two years.

Upon taking the floor, Council President Vasque stated that there was recently an impromptu meeting of business community members on Essex Street where Acting Chief Vasque was observed interacting with the business owners concerning policing matters stating that he was encouraged by the interaction and responsiveness shown.

**Doc. 137/18: New Voting Machines – Purchase and Approval Process –
William J. Maloney, City Clerk – Budget and Finance Cmt. – Received**

At the request of Council President Vasquez, Councilor Laplante presented a motion to receive the report of the Budget & Finance Committee without a recommendation as seconded by Council Vice President Rodriguez.

Upon being granted the floor, Councilor Levy stated that the voting machines currently in service are 28 years old and are showing signs that they may fail in upcoming elections. She stated that new voting machines need to be purchased to assure votes are accurately counted without machine error or breakdowns.

Upon being granted the floor, Councilor Payano stated he was aware of machine failure during the last City Election in 2017 and failed voting machines give the public appearance that the election results may not be reliable. He stated that the voting machines being used are getting old and need to be replaced. He inquired including the purchase of new voting machines as an item on the Capital Improvement Plan [CIP] asking Finance Director Ianello if voting machines are on any current improvement plan. In response, Finance Director Ianello stated that City Clerk Maloney has submitted a request for the purchase of new voting machines as a CIP plan and suggested that he would look into the matter.

Council President Vasquez stated that the item be referred for inclusion with the CIP.

Upon being granted the floor, Councilor De La Cruz spoke in support of the item as an improvement of the election process.

Upon no further inquiry, comment or discussion Council President Vasquez called the motion to receive the report of the Budget & Finance Committee and the Council Members present voted unanimously [9-0] received by Council Members present.

XIII. OLD BUSINESS:

Doc. 163/18: Water and Sewer Department - Contract Authorization – Operation & Maintenance of City’s Drinking Water Treatment – Brian Peña, Commissioner – Approved

Upon being granted the floor, Council Vice President Rodriguez presented a motion to reconsider the vote of the Council Members called and recorded earlier in the session concerning this item stating that he is concerned that the vote does not accurately reflect the intentions of the Council Members concerning the matter. The motion was seconded by Councilor DePena and the Council Members voted unanimously [8-0] to reconsider the item [Councilor Laplante being absent from the Council Chamber at the time the vote was called and recorded].

Upon being recognized, Brian Pena, Water & Sewer Department Commissioner, informed the Council Members that there are two contract options presented for consideration of approval and provided a detail of the two options presented.

Upon being granted the floor, Council Vice President Rodriguez presented a motion to approve contract option #2 which was seconded by Councilor Reyes.

Upon being granted the floor, Councilor Payano stated that although option #2 may create more work for future City Council Members it provides greater monitoring and control mechanisms that rest with the City Council. He also stated that contraction option #1 allows for a longer contract term without periodic review of the contract which has served its purposes and requirements of the City of Lawrence to date.

Council President Vasquez explained that option #2 provides a 20 year term with 5 year review periods each of the next 10 years after 5 years while option #1 provides for a 20 year contract without City Council review during the term of the agreement.

Upon being granted the floor, Councilor Levy asked Water Commissioner Pena questions about the two available options which he explained in response.

[Tuesday, May 15, 2018]

Upon no further inquiry, comment or discussion Council President Vasquez called the motion to approve and the Council Members present voted unanimously [8-0] to approve contract option #2 presented for consideration [Councilor Laplante being absent from the Council Chamber at the time the vote was called and recorded].

Upon being recognized, Sean Cronin, Department of Revenue Fiscal Overseer assigned to the City of Lawrence, addressed the City Council presenting a financial overview and prospectus of the City of Lawrence finances.

Upon being granted the floor, Councilor Laplante asked Overseer Cronin concerning continued financial assistance and oversight to be provided by the Massachusetts Department of Revenue after the termination of the oversight program.

Upon being granted the floor, Councilor Payano asked if there is a timeline to dissolve the receivership of City finances. In response Overseer Cronin described the financial remedies and milestones the Department of Revenue requires to meet leading to the dissolution of State oversight.

Upon being granted the floor, Councilor De La Cruz suggested that the impact of no increase in taxes would be favorable in the future. Overseer Cronin explained that revenue and expenditures must remain reasonable. He discussed the use of revenue to balance expenditures as an important aspect of financial balance in future City finance administration.

Upon being granted the floor, Council Vice President Rodriguez discussed the balanced budget and five year forecast assisting with sound financial strategy.

[Tuesday, June 5, 2018]

Upon being granted the floor, Councilor Abdoo posed questions about the importance of negotiating employee contracts for appropriate funding within the budget constraints.

Upon no further discussion comment or inquiry on the matter, Council Vice President Rodriguez presented a motion to withdraw the item from the Council Agenda which was seconded by Councilor Reyes and unanimously [9-0] approved by Council Members present.

At the request of Council President Vasquez, Councilor Laplante presented the report of the Budget & Finance Committee recommending the approval of the item as presented. The report was presented in the form of a motion to approve the item which was seconded by Councilor Reyes and unanimously [9-0] approved by the Council Members present.

Doc. 183/18: Approved

[Tuesday, June 5, 2018]

VII. OLD BUSINESS:

Doc. 199/17: Office of Planning and Development – Acceptance of an additional [97,818.98] funds – [Amendment to Doc. #199/17] – Evelyn Ureña, Housing Manager - Approved

Councilor Payano presented a motion to take document 199/18 out of the order appearing on the agenda. The motion was seconded by Councilor Reyes and unanimously approved by the Council Members present [9-0].

Jessica Andors, Executive Director of Lawrence Community Works, addressed the City Council Members requesting the City Council approve the additional funding presented. She discussed and explained that the additional grant funds provides a supplement to the 2017 City Council Approval and requested the Council Members to approve the supplemental funds as well.

Upon being granted the floor, Councilor Laplante posed questions concerning project deadlines to complete construction that would result in home ownership. Director Andors stated the deadline to obtain approval of the supplemental funding by the Lawrence City Council is at the end of the 2018 fiscal year. . In response, Councilor Laplante suggested that the usual course of proceedings is to refer the item to the Budget & Finance Committee for further proceedings which result in a recommendation for consideration of the Full City Council. He stated that presenting the item with little more than five weeks remaining in the fiscal year causes a disruption in the deliberative process.

Upon being granted the floor, Councilor Payano asked if the supplemental amounts will change the obligation to provide additional financial contribution to the program. Ms. Andors stated that the additional amount will increase the financial obligation of the City of Lawrence in the amount of 5,000.00 to be repaid over thirty years. Councilor Payano concluded by stating he is in favor of the item but suggested that it may have to be reviewed.

Upon being granted the floor, Councilor De La Cruz stated that local contractors and laborers should be employed to complete the projects provided by the funds allocated. Ms. Andros stated that hiring preferences are in place and used for all projects.

[Tuesday, June 5, 2018]

Council President Vasquez stated that he believes the Council Members would benefit with a review by the Budget & Finance Committee which is usually required with items first presented to the City Council for consideration.

Upon being granted the floor, Council Vice President Rodriguez noted the two week delay and its impact that subcommittee review may cause.

Upon being granted the floor, Councilor Reyes inquired about a two week return date to allow Budget & Finance review. In response, the project manager (who did not identify himself) suggested that immediate approval by the City Council was necessary to assure the projects advance without delay.

Upon being granted the floor, Council Vice President Rodriguez asked how long has the information concerning the supplemental funding been known to be available. Ms. Andros responded that the information was first known for about 3-4 weeks.

The Project Manager interjected that any delay in funding would jeopardize the projects that are presently in progress.

Upon no further discussion, comment or inquiry offered by the Council Members present, Council President Vasquez called upon the Members present to consider the matter presented. Upon a motion to approve the measure presented by Council Vice President Rodriguez, as seconded by Councilor Payano, the Council Members present voted by roll call vote as follows to approve the item. Public Hearing Closed/Motion to Approve Presented – Tabled**

At the request of Council President Vasquez, the City Clerk read the public hearing notice regarding the above items as published. Upon the conclusion of the Clerk's reading of the public notices Council President Vasquez opened the public hearing portion of the proceedings and invited anyone who wished to be heard to present themselves before the Council Members.

Eric Kallio, Mobilitie manager appearing on behalf of the petitioner, spoke in support of the items presented for consideration of approval describing and explaining the proposed installation of small cellular phone hardware at each of the locations presented in each petition.

Bob Wilko, 159 Lawrence Street, Lawrence, MA spoke in opposition to the plan presented in Doc. 360/17 to be installed at Lexington St and Lawrence Streets stating the plan cites an installation of equipment on a

[Tuesday, June 5, 2018]

telephone pole at the location that does not exist. He stated that the plan would likely require the installation of a new telephone pole at the location appearing on the plan of work map which he opposes since it would be directly in front of his business.

Eric Kalio, Mobilitie manager, stated the engineers drawing shows an existing pole at the proposed location and believes that the pole exists at the location cited on the map [A discussion ensued among the Council Members and between the Council Members and Mr. Wilko resulting in a determination that the engineers map depicting the location of an existing pole is accurate]

Upon being granted the floor, Council Vice President Rodriguez stated that recent construction may have removed a pole at the location of construction.

Richard Russell, 34 Cross Street, Lawrence, MA asked prepared questions about the proposed project to both Mobilitie and AT&T. (He did not submit a written copy of the questions posed.) Mr. Russell discussed the soundness of installation construction and about whether the service installed may be used in the future for law enforcement or public safety measures.

Upon no further discussion or comment offered by anyone present, Council President Vasquez closed the public comment portion of the proceedings and called upon the Council Members present to offer comment or discussion.

Upon being granted the floor, Councilor Reyes presented a motion to approve the ten petitions presented and to be presented as a single "block vote" by the Council Members. The motion was seconded by Councilor DePena.

Upon being granted the floor, Council Vice President Rodriguez informed the Council members that there would be a tax assessment of approximately 500.00 per installation location and a current petition fee of 30.00 for each pole location.

Council President Vasquez clarified that the final assessment has yet to be finalized by the Assessor.

[Tuesday, June 5, 2018]

Upon being granted the floor, Councilor Reyes clarified that the vote of the Council Members on all petitions is a single vote as presented in the motion to approve the petitions.

Upon being granted the floor, Council Vice President Rodriguez invited Manager Eric Kallio to provide a response to the questions presented by Mr. Russell. In response, Project Manager Kallio stated the installation of all locations is of sound construction and the equipment to be installed meets all Federal Communication Commission standards. He stated further that the installations are necessary to serve a public need and requirements to provide the availability of cellular communications service.

Upon continuing, Council Vice President Rodriguez asked questions about technical applications of the equipment and about specific electronic exposure output that would affect the public at each of the locations. Council Vice President Rodriguez read from the Federal Communication Commission regulations citing applicable exposure limits for installations of cellular equipment (the regulation was not submitted by Councilor Rodriguez and is not incorporated into the record of proceedings). Council Vice President Rodriguez also inquired about “power density” of the equipment to be installed. Manager Kallio stated that he was unable to provide comment or information concerning the technical aspects of the proposed installations because he is not an engineer and he is not knowledgeable or familiar with the specific or general requirements or regulations of the Federal Communications Commission. Council Vice President Rodriguez stated he would need additional information concerning his inquiry prior to approval or installation of the items at any of the locations.

Upon being granted the floor, Councilor Payano stated that although he understands and appreciates the line of questioning presented by Council Vice President Rodriguez he stated he is unaware of any properties or adverse affects that exposure to cellular equipment may have on anyone. A discussion ensued between Council Vice President Rodriguez and Councilor Payano regarding the items presented. In conclusion, Manager Kallio requested that the petition be allowed to provide additional information that the Council believes is necessary after approval of the petitions.

[Tuesday, June 5, 2018]

Upon no further discussion, comment or inquiry offered by the Council Members present, Council President Vasquez closed the discussion portion of the proceedings and called upon the Members present to consider the matter presented.

Upon being recognized, Councilor Payano presented a motion to “table” all of the petitioners presented for consideration which was seconded by Council Vice President Rodriguez and unanimously [8-0] approved to “table” all ten of the petitioner presented. [Councilor Reyes being absent at the time the motion was called].

XI: Communication from Mayor, City Officials & City Attorney:

Doc. 226/18: Open Meeting Law Complaint [2018-CLM-25][Executive Session Anticipated] - Tabled

Council President Vasquez invited Acting City Attorney Ruano to address the City Council.

Upon being recognized, Assistant City Attorney Ruano outlined the nature of the complaint and the allegations asserted. She stated that, in general, a City Council Member who is not a Member of the Subcommittee

[Tuesday, June 5, 2018]

of the City Council may attend subcommittee meetings but should refrain from engaging in deliberations. In specific reference to the alleged violation provided in the complaint filed, Councilor Payano spoke only when asked questions and stated suggesting that there was no action by Councilor Payano that involved deliberation with the subcommittee during its session that may result in a determination that a meeting of the Full City Council was taking place. She concluded that it is her opinion that since there is not a meeting of the Lawrence City Council taking place the required advance notice of a meeting of the City Council need not be posted as would otherwise be required by the Open Meeting Law.

Upon being granted the floor, Councilor Reyes asked for advice as to the best way to comply with the Open Meeting Law with regard to the attendance Council Members at City Council Subcommittee meetings when they may not be members of the subcommittee.

Upon taking the floor, Council President Vasquez commented that City Council Members have attended Subcommittee Meetings of the City Council many times in the past pointing out that Council Members may attend any Subcommittee session as long as they do not deliberate or conducting themselves in a manner that may be construed to make it appear that they are acting as a member of the Subcommittee. He stated that in his opinion there is not a sustainable violation of the Open Meeting Law by Councilor Payano alleged in the complaint due to the fact that his appearance before the Subcommittee was for the purpose of presenting and explaining the intent and purpose of a measure that he authored and sponsored before the City Council. He further stated that because Councilor Payano did not engage in deliberation on the item and only spoke when asked questions by duly appointed Members of the Subcommittee.

Acting City Attorney Ruano informed the Council Members that a response must be submitted to the Office of the Attorney General by June 9, 2018, which she stated will be sent on behalf of the City Council if authorized by the Council Members.

[Tuesday, June 5, 2018]

Upon being granted the floor, Councilor De La Cruz commented that it may be helpful to continue to provide information and advice to the Council Member concerning the manner they may be allowed to address matters before any of the Council Subcommittees.

Upon being granted the floor, Councilor Laplante explained further that there is no mechanism to provide a list of the public members who may wish to comment.

[10:00 p.m. - Councilor Abdo presented a motion to conduct the City Council session past 10:00 p.m. which was duly seconded by Councilor Payano and unanimously [9-0] approved by the Council Members present]

Acting City Attorney Ruano opined that the Council Members may appear as a member of the public before any City Council Subcommittee and provide public comment on any item as long as they do not deliberate or appear as a Member of the Subcommittee.

Upon being granted the floor, Council Vice President Rodriguez presented a motion to send correspondence to the Attorney General on behalf of the City Council Members in response to the complaint filed providing the Attorney General that the City Council Members are of the opinion that the complaint fails to allege a violation of the Open Meeting Law pursuant to the opinion of Assistant City Attorney Ruano. The motion was seconded by Councilor Reyes.

Upon being granted the floor, Councilor Laplante informed the Council Members that these matters sometime are alleged and past advice of Counsel and others suggested that the Council Members who appear at City Council Subcommittee Meetings who are not assigned or authorized members of the Council Subcommittee in session refrain from being seated at the City Council table during the meeting of the Subcommittee. He offered the comment as a friendly amendment to the main motion presented by Council Vice President Rodriguez concerning forwarding correspondence from the City Council to the Office of the Attorney General. Council Vice President Rodriguez accepted the comment as an amendment to his main motion presented.

Upon being granted the floor, Councilor Levy stated additionally that Councilor Payano requested permission to be seated at the City Council table.

[Tuesday, June 5, 2018]

Upon no further inquiry, comment or discussion Council President Vasquez called upon the Council Members to consider the motion presented with the amendment which was approved by roll call vote as follows:

ITEMS ADDED AT THE MEETING

Doc. 182/18: Lawrence Fire Department - Request to accept donation of Hydrant Assist Valves from Charlie Daher [13,477.50] – Chief Brian F. Moriarty – Ordinance Committee Discharged/Emergency Declared/Public Hearing ordered

Upon being recognized, Councilor Laplante presented a motion to discharge the Ordinance Committee in order to consider the above matter as an emergency in order to add the item to the City Council Agenda to allow the item to be considered for immediate attention of the City Council Members. The motion was seconded by Councilor Abdo and unanimously [9-0] approved by Council Members present.

[Tuesday, June 5, 2018]

[10:09 p.m. - Councilor Reyes left the City Council Meeting]

Upon being granted the floor, Councilor Laplante presented a motion to approve the item presented which was seconded by Councilor Abdoo.

Upon being granted the floor, Councilor Payano inquired about the emergency nature of the item presented noting that the item does not appear on the City Council Agenda as posted.

Upon being granted the floor, Councilor Abdoo responded by stating that the item involves the purchase of equipment that will outfit fire hydrants with mechanisms that will allow firefighters to determine if a hydrant has sufficient water pressure to provide water needed to put out fires. He stated that anything that can be done to advance the purchase of an item that has the possibility of saving even one life sufficiently meets any emergency determination that may be necessary to advance and add the item to the Council Agenda for immediate consideration.

Upon being recognized, Lawrence Fire Chief Moriarty provided information concerning the mechanisms that would be purchased and installed with the monies donated explaining how the mechanisms operate to evaluate the level of water pressure available at any fire hydrant where they are installed.

Council President Vasquez commented that he is convinced that the item presented is an “emergency” sufficient to meet any standard that allows the addition of the item to the City Council.

Upon no further discussion, comment or inquiry offered by the Council Members present, Council President Vasquez called upon the Members present to consider the matter presented. Upon a motion to approve the measure presented by Councilor Laplante, as seconded by Councilor Abdoo, the Council Members present voted unanimously [8-0] to approve the item.

XII. COMMITTEE REPORTS:

Doc. 193/18: Office of Planning and Development – Review and Approval for Community Development Block Grant: [1,742,830.00]; HOME Grant: [930,233.00] & ESG Grant: [137,175.00] – Vilma Martinez-Dominguez, Community Development Director – Budget and Finance Cmt. – Approved Pending a Public Hearing Ordered

At the request of Council President Vasquez, Councilor Laplante presented a motion to receive the report of the Budget & Finance Committee with an unfavorable recommendation. The motion was seconded by Councilor Abdoo and unanimously [8-0] received by the Council Members present.

Upon being granted the floor, Councilor Laplante presented a motion to order a public hearing on the item presented. The motion was seconded by Councilor Abdoo.

Upon being recognized, Community Development Director Vilma Martinez discussed and explained that additional funds were being offered by Housing and Urban Development [hereinafter referenced as HUD]. She stated that it would be necessary for the City Council to immediately approve the funds offered by HUD explaining further that the failure to timely approve the sums offered may jeopardize the aware by HUD. Director Martinez stated that the application to HUD is due on June 11, 2018 in response to questions concerning the matter.

Council President Vasquez informed the Council Members that due to the immediacy of the situation explained by Director Martinez it may be necessary for the Council Members to take immediate action and consider the matter for approval subject to the public hearing which would have to take place at the next session of the City Council after it has been properly advertised. He also referenced the necessity of conducting a public hearing on the item due to the nature of the appropriation.

A discussion ensued between the City Council Members and Community Director Vilma Martinez concerning the item presented.

Upon being granted the floor, Councilor Payano expressed his disappointment that no funds provided by the CDBG and Home Grants were being extended to the “Beyond Soccer” program. He suggested that the

[Tuesday, June 5, 2018]

additional funds offered by HUD might be made available to include the “Beyond Soccer” program among those programs awarded funds to date.

Upon being granted the floor, Councilor Abdoo stated that addressing petitions that are presented under emergency circumstances is not the fault of the City Council Members and should be considered appropriately. He stated that the other programs that have already been approved through the process authorized by HUD should not be subject to being excluded because of circumstances unknown to them, the Community Development Office or the City Council none of whom had any part in creating the situation that is presented to the Council.

Upon being granted the floor, Councilor De La Cruz asked if there is time to amend the list of groups to be awarded funding. She commented that the Mayor needs to be more flexible in the awards portion of the grants.

Upon being granted the floor, Councilor Payano stated he had the opportunity to speak to the Mayor about the programs being funded by the CDBG/HOME budget awards.

Upon being granted the floor, Councilor DePena stated that the City Council may have little choice but to approve the item.

Upon being granted the floor, Councilor Levy stated that the frustration of programs and groups that have not been approved for funding is based on the fact that the same programs are approved every budgetary year excluding any other groups or programs from participating.

Council President Vasquez explained that given the circumstances presented the City Council is obliged to consider the approval of the amended CDBG and HOME FY 2019 Budget supplementing the award approved at a prior Council Session. He clarified that the petition would require a public hearing and that if item is presented as a motion to approve the amended budget presented it should be approved subject to a public hearing to assure compliance with the City Charter and any applicable City Ordinances while also meeting the mandates of HUD.

Upon being granted the floor, Councilor Laplante amended his main motion offering a new motion to approve the amended FY 2019 CDBG/HOME Grant Budget pending a public hearing to take place in accord with

[Tuesday, June 5, 2018]

the applicable provisions of the Lawrence City Charter. The motion was seconded by Councilor Abdoo and unanimously [8-0] approved by Council Members present.

**Doc.230/18: City Attorney Job Posting–Review-
 Councils. Payano, Levy and DePeña – Ref. to Pers. Cmt. & Ord. Cmt.**

Upon being granted the floor, Councilor Payano presented a motion to halt the search for City Attorney Job Posting, which was seconded by Council Vice President Rodriguez.

[11:00 p.m. - Councilor Abdo presented a motion to conduct Council business past 11:00 p.m. which was duly seconded by Council Vice President Rodriguez and unanimously [7-0] approved by the Council Members present]

Upon being granted the floor, Councilor Abdo asked if the City Council President could direct the Personnel Director to stop the search.

Council President Vasquez responded that he would prefer to expedite the search and continue process to assure there is a City Attorney in selected and hired as soon as possible.

Upon being granted the floor, Council Vice President Rodriguez commented that although the City Attorney is contracted by the City Council the services of the City Attorney are not often directly required by the

[Tuesday, June 5, 2018]

City Council. He suggested the Council Members may want to consider a different approach to the selection process that will involve the participation of all Council Members.

Council President Vasquez stated that delaying the process may not serve to benefit the Council or the public.

Upon being granted the floor, Councilor Payano stated that a review of the City Attorney job description should be conducted to assure the selection of the best qualified individual is properly complete by the City Council.

Upon being granted the floor, Council Vice President Rodriguez agreed that the hiring process and description of the position should be reviewed.

Upon being granted the floor, Councilor Laplante stated the item should proceed expeditiously and asked the Council President to take all steps necessary to assure the hiring process begins as soon as possible.

Upon being granted the floor Councilor Levy stated that it is time to review the job description with all Council Members involved and participating in the process.

Upon being granted the floor, Councilor De La Cruz suggested the City Council work with the Personnel Director to provide a time line and date to hire a City Attorney as soon as possible.

Council President Vasquez further suggested the process should be conducted publically.

Upon continuing, Councilor Levy stated Director Bonet should be directed by the City Council to work with the City Council Members during the process.

Upon being granted the floor, Councilor Payano stated that the conversation about the process is different than allowing an opportunity by the City Council to suggest changes.

A discussion ensued among the City Council Members about the current job posting and the ramification of receiving applications before the job description changes.

Upon being granted the floor, Councilor Payano discussed several aspects of the job search process.

[Tuesday, June 5, 2018]

Council President Vasquez described the expected job search process which will necessarily include City Council involvement.

Upon being granted the floor, Councilor De la Cruz stated that the process should take about one month. She stated that the process needs to start as soon as possible.

Council President Vasquez reviewed Sec. 3.6 of the Lawrence City Charter in reference to the process of hiring the City Attorney. He suggested that the “job description” of the position is primarily administrative.

Upon no further discussion, comment or inquiry offered by the Council Members present, Council President Vasquez called upon the Members present to consider the matter presented.

Upon a motion to forward a letter to the Mayor and Personnel Director to halt the job search process for the City Attorney position presented by Councilor Payano, as seconded by Councilor Vice President Rodriguez, the Council Members present voted by roll call vote to defeat the motion presented as follows:

Yes-3; No-4; Absent-2

V. PUBLIC HEARINGS:

Doc. 196/18: FY 2019 Proposed Budget – Mayor Dan Rivera – Public Hearing held – Approved

At the request of Council President Vasquez, the City Clerk read the public hearing notice regarding the above as published. Upon the conclusion of the Clerk's reading of the public notice, Council President Vasquez opened the public hearing portion of the proceedings and invited anyone who wished to be heard to present themselves before the Council Members.

Former City Council President Modesto Maldonado, 115 Spruce Street, Lawrence, MA commented that there are five factors which the City Council should reject the proposed FY 2019 Budget presented. Mr. Maldonado provided a written copy of the reasons to reject the FY 2019 Budget to the Council Members and filed a copy with the City Clerk. He stated that free cash allocations were supporting new tax assessments. He discussed the proposed 20,000.00 salary increase provide to an employee recently hired within the past 6 months stating that the resulting salary exceeds the average income of Lawrence taxpayers.

Upon no further discussion or comment offered by anyone present, Council President Vasquez closed the public comment portion of the proceedings and called upon the Council Members present to offer comment or discussion.

At the request of Council President Vasquez, Councilor Laplante presented a motion to receive the report of the Budget & Finance Committee without a recommendation. The motion was seconded by Councilor Reyes and unanimously [9-0] received by the Council Members present.

Upon being granted the floor, Councilor Laplante presented a motion to approve the FY 2019 Proposed Budget as presented which was seconded by Councilor Reyes.

Upon being granted the floor, Councilor Payano inquired as to whether the budget document presented to the Council Members is the actual document representing the current budget for consideration. He also inquired about the procedural method to present budget reductions to the Council Members for consideration. Councilor Payano stated that it is necessary for the City of Lawrence to address the issue of homeless and how businesses operation in the City of Lawrence. Councilor Payano stated that the proposed budget presented by the Mayor increases real property assessments which will increase taxes.

Upon being recognized, Mayor Rivera informed the Council Members that the proposed budget submitted for consideration recognizes and accounts for the growth in revenues commenting that the document presented represents approximately 100 hours of staff time drafting. He stated that there may be increases in rents paid that are more likely related to property owners looking to increase their income and are not a result of property tax increases. He stated that City Government has not control over the market which dictates resulting property

[Tuesday, June 12, 2018]

values. He informed the City Council that the proposed budget provides more police and public safety, improves Public Works services and continues the efforts for economic development. Mayor Rivera presented a graph depicting tax rate increases from 2006 through projections for 2019 discussing the reasons for the increases occurring in each of the years referenced.

Upon being granted the floor, Councilor Reyes asked Mayor Rivera about the amount presently available as free cash. Mayor Rivera stated that there is approximately 11.5 million currently in the free cash account. Councilor Reyes stated that tax payers are concerned about the tax increase presented in the FY 2019 Budget and asked if free cash reserves could be used to reduce property taxes. Mayor Rivera informed the Council Members that the Department of Revenue does not permit the use of free cash reserves to reduce property taxes but stated it can be used for capital improvement projects. A discussion ensued between Councilor Reyes and Mayor Rivera concerning the various departmental requests to increase individual budget expenditures.

Upon taking the floor Council President Vasquez informed the Council Members of the review process and method of addressing proposed reductions outlining the parliamentary process by which individual motions for reductions would be entertained and voted upon by the Council Members with a final motion for approval of the budget with any proposed amendments for consideration at the conclusion of all matters presented.

Upon being granted the floor, Councilor De La Cruz stated that City employees should be given a raise. She referenced Page 64 of the proposed FY 2019 Budget (Planning Department) which provides an salary increase of 26,623.00. In response, Mayor Rivera stated that all union contracts with the City of Lawrence have been settled and the employees are bound by their union agreements. He stated that applicable amount for the payment of longevity allocations and wage increases have been negotiated and are provided in the proposed FY 2019 Budget as it has been addresses in prior years.

Upon continuing, Councilor De La Cruz stated she is has no recommended reductions in the proposed Police or Fire Department budgets but stated that recreational programs should be increased to provide additional summer programs.

[Tuesday, June 12, 2018]

Upon being granted the floor, Council Vice President Rodriguez posed questions about the possibility of reaching a 2% increase in property taxes.

Mayor Rivera discussed resulting increases attributable to collective bargaining agreements, employee benefits, debt service and obligations related to property and auto insurance provisions. He discussed the use of Chapter 58 reserve fund, the Lawrence School Department Budget and the Greater Lawrence Technical High School Assessment. Upon being recognized, Finance Director Ianello addressed the City Council concerning the administrative requirement to provide for these expenses. Mayor Rivera continued by discussing additional costs related to school repairs and those related to construction projects and necessary street repairs. Director Ianello also discussed the requirement to annually allocate approximately 1 million dollars to fund infrastructure repairs and improvements. He also discussed the funds allocated for “debt service” to repay debt incurred by the City of Lawrence.

Upon continuing, Council Vice President Rodriguez discussed the increase of debt service allocation and the sale of municipal bonds for the past year. In response, Director Ianello stated that approximately 1 million dollars in municipal bonds were sold by the City of Lawrence last fall. Upon continuing Council Vice President Rodriguez inquired about the proposed amount budgeted for the Lawrence School Department in FY 2019. He also asked about transportation increases presented in the FY 2019 School Department Budget.

Upon being recognized, Lawrence School Department Transportation Director Marino provided information about transportation costs provided in the 2019 proposed School Department Budget [See, Page 10 of the Lawrence School Department Budget].

Upon being granted the floor, Councilor Payano stated that every City Department can provide sufficient reasons to increase the budget allocations provided by the Administration. He stated that he believes that he will be presenting motions to reduce the total amount of the proposed FY 2019 Budget with a recommendation that the reduction be from specific salary allocations presented. Upon continuing, Councilor Payano presented a motion to reduce the proposed FY 2019 Budget in the amount of 15,000 with a recommendation that the amount be removed

[Tuesday, June 12, 2018]

from the following section of the proposed budget: [01-0009] [Planning Dept.][Personnel Services]. The motion was seconded by Councilor DePena. Councilor Payano explained that the motion to reduce the FY 2019 Budget is reasonably applied due to the exorbitant pay increase referenced in the recommendation.

Upon being recognized, Mayor Rivera stated that the recommended reduction is directed at the proposed salary increase allocated for Planning Director Theresa Park as presented in the proposed FY 2019 Budget. He stated that the qualifications of Planning Director Park have resulted in positive progress in City Planning projects and Economic Development in the City of Lawrence. He stated that the salary increase is warranted and justified and is related to the results obtained from specific work performance.

Upon being granted the floor, Councilor Laplante stated he believes the motion is appropriate but asked if the author of the motion would accept a friendly amendment to change the amount of the salary increase to provide for half of the amount of the proposed salary increase to be provided in the FY 2018 Budget and half to be provided in the FY 2020 Budget.

In response, Councilor Payano stated that he accepts the friendly amendment and proposed a reduction to the proposed FY 2019 Budget in the amount of 13,300.00 recommending the amount be removed from the Planning Department allocation referenced in the original motion presented.

Upon being granted the floor, Council Vice President Rodriguez requested Director Park to address the Council Members who discussed the 27 million dollar and 6.4 million dollar projects funded by grant money awarded to the City of Lawrence and several other grant funds successfully obtained by the Planning Office. She stated that the Planning Office services provided by her are comparable to the services provided by the Planning Directors in Lowell and Springfield stated that the Directors in these municipalities are paid approximately 130,000.00 annually.

Upon continuing, Council Vice President Rodriguez posed questions to Director Park about Transportation Improvement Program Funds (hereinafter referenced as "TIP Funds". Director Park discussed and provided information to the Council Members concerning TIP Funds..

[Tuesday, June 12, 2018]

Upon no further discussion, comment or inquiry offered by the Council Members present, Council President Vasquez called upon the Councilors to consider the motion to reduce the proposed FY 2019 Budget in the amount of 13,300.00 with a recommendation the amount be removed from [01-0009] [Planning Dept.][Personnel Services].

Upon presenting the motion for consideration, the Council Members voted to approve the motion for the reduction of the proposed FY 2019 Budget in the amount of 13,300.00 with a recommendation the amount be removed from [01-0009] [Planning Dept.][Personnel Services] by roll call vote as follows: Yes-6; No-3

[Tuesday, June 12, 2018]

Upon being granted the floor, Councilor Payano presented a motion to reduce the proposed FY 2019 Budget in the amount of 109,900.00 recommending the reduction be applied to the City Building Inspectional Services Department referenced as follows: [PAGE 96, FUND: 01 – DEPARTMENT: 0024; 0045-BUILDING INSPECTION; PERSONAL SERVICES (51)]. The motion was seconded by Councilor DePena.

Upon being granted the floor, Councilor Payano stated that the proposed reduction is presented to assure Inspectors are performing housing code inspections.

Upon being granted the floor, Councilor De La Cruz stated the Inspectional Service Department [hereinafter referenced as “ISD”] is not sufficiently staffed with the five inspectors presently assigned. She stated that the proposed positions would result in additional inspectors.

Upon being recognized, Mayor Rivera stated the allocation is presented in response to the City Council request of additional inspectors. He stated that insufficient code inspectors allow landlords who operate with building code violations to continue to operate without impunity. He stated that the additional inspectors are needed to assure code violations are cited and properly repaired which will benefit tenants.

Upon being granted the floor, Councilor Laplante stated it is important to have sufficient code enforcement inspectors to assure buildings are “up to code” and in compliance with the building code.

Upon being granted the floor, Councilor Abdoo commented that the greatest number of complaints involves noise and poorly kept properties which can only be addressed with greater code enforcement. He stated that funds obtained as a result of the increased property taxes paid by landlords will support the five new code inspector positions. Councilor Abdoo urged the Councilors to vote in opposition to the reduction presented for consideration.

Upon being granted the floor, Councilor DePena commented that an increase of one inspector would be sufficient to provide sufficient inspections.

In response, Mayor Rivera stated there are simply not enough inspectors currently in service to enforce current violations of the residential building codes.

[Tuesday, June 12, 2018]

Upon being granted the floor, Council Vice President Rodriguez informed the Council Memembrs that the inspection fees presented on page 15 of the budget document demonstrates that there is a loss of revenue over the past two years resulting from fines collected for code violations.

Upon being granted the floor, Councilor Payano asked if all five current code inspector positions are filled. In response, Mayor Rivera stated that all but one of the current positions are filled. Councilor Payano stated the amount is not an increase for housing inspectors but to hire building code inspectors who do not perform the same function. He suggested that the reduction will allow the vacant position to be filled which can be reviewed in the following year.

Upon no further discussion, comment or inquiry offered by the Council Members present, Council President Vasquez called the motion to the attention of the Council Members present for their consideration.

Upon the motion presented by Councilor Payano for the reduction of the proposed FY 2019 Budget in the amount of 109,900.00 recommending the reduction be applied to the City Building Inspectional Services Department referenced as follows: [PAGE 96, FUND: 01 – DEPARTMENT: 0024; 0045-BUILDING INSPECTION; PERSONAL SERVICES (51)] the Council Members present voted by roll call vote to defeat the motion as follows: Yes-3; No-6
