

Schedule

Below is the planned schedule for the following 72 hours where our teams will begin work. In many cases, this process will take more than one day. Customers whose streets are listed must have someone over 18 years old at home that day for work to commence. If an adult cannot be home on that day, we will be back in your neighborhood in the following days. We will continue to try to make contact until we are able to complete your in-home work.

Itinerario

A continuación encontrará nuestro itinerario planificado para las siguientes 72 horas en las que nuestros equipos comenzarán a trabajar. En muchos casos, este proceso durará más de un día. Los clientes cuyas calles están en la lista deben tener a alguien mayor de 18 años en su hogar ese día para que comience el trabajo. Si un adulto no puede estar en casa ese día, regresaremos a su vecindario en los próximos días. Seguiremos intentando ponernos en contacto con usted hasta que podamos completar su trabajo en el hogar.
