EDITION 18
MARCH / APRIL 2017

Message from Mayor Rivera

To my fellow friends and neighbors of Lawrence, I can say with ease this year, Welcome Spring. We were able to get through a few storms and cold days but that did not stop our March and April celebrations. The City of Lawrence began spring cleaning with our initiative to make Lawrence cleaner and with the help of the City Council; we have started to do so! Over \$500,000 was put into making Lawrence cleaner and hope that this can be the continuation of a cleaner Lawrence. I am looking forward to celebrating the numerous spring and summer events that will be coming up with you all.

Mayor Daniel Rivera announces

a city-wide street sweeping operation that will begin on Tuesday, April 18th and continue city wide through Friday, June 9th. The City of Lawrence DPW Department has contracted Amric Power Sweeping to sweep the streets across the city. "Street sweeping is a basic service that increases quality of life, and for far too long we have been without properly functioning

street sweepers," said Mayor Daniel Rivera. The street sweeping operation will mirror the trash route in the city. "This street sweeping operation will not only clean our streets curb to curb, but it is also a necessary part of a comprehensive maintenance plan of the sewer system," said DPW Director Carlos Jaquez.

25 temporary Clean Lawrence Crew was put on the job to make sure our streets were clean. Here are a few of the Clean Lawrence Crew members hard at work cleaning our City streets.

Officer of the Month

Officer Scott McCabe noticed a vehicle that matched a description communicated to him earlier that day. He was able to coordinate with other units as the car drove off after approaching it. After a brief pursuit which turned into a foot pursuit in which the suspect broke into a residence in an attempt to escape, he and other officers apprehended him. Officer Scott McCabe's observations and attention to detail that day resulted in the apprehension of an individual whom clearly represented an immediate danger to the citizens of Lawrence. He is commended for the degree of professionalism shown during the incident

Officers of the Month

Detective William Colantuoni responded to 599 Andover St. and spoke to a victim who was robbed of \$9,000.00 on January 10, 2017. The victim provided him with little information, a nickname and a general vehicle description. During the following weeks Detective Colantuoni conducted many interviews, developed leads, conducted search warrants, and was able to put together a case that would ultimately result in the arrest of three suspects. Detective Colantuoni's diligence and meticulous manner, in which he conducted this investigation, resulted in the

apprehension of three suspects who clearly represented a danger to the citizens of Lawrence. Officer Michael Colantuoni responded to a medical assist call at 50 Broadway on March 24, 2017 and while he was there he spoke to a man identified as Danny Grant. While reviewing his department emails he was made aware the Detective Division was attempting to identify a male subject wanted in connection to a bank robbery. Upon inspection of photos of the wanted subject, he was able to identify him as Danny Grant who appeared to be still wearing the same clothing he wore in

the commission of the robbery. The subject was the same individual Officer Calantuoni had just assisted in getting the medical help he needed. The Detective Division was notified and apprehended Danny Grant at The Lawrence General Hospital. Officer Colantuoni's awareness and attention to detail that day resulted in the apprehension of a man who clearly represented a danger to the citizens of Lawrence. They are both commended for the degree of professionalism and discipline they showed while performing above and beyond your duties.

2nd Commitment of Calendar Year 2017 Motor Vehicle Excise Issued

The City of Lawrence issued the (2nd Commitment) calendar year 2017 motor vehicle excise on Tuesday, April 11th. Payment must be received by Thursday, May 11th to avoid costly penalties, interest and fees. In the previous Common News (edition 17) the assessors stressed the importance of avoiding costly fees. Here is a recap: in the 1st commitment there were 39,522 excise bills mailed and due to reasons listed below the Deputy Collector issued 10,171 \$30 demand bills or roughly 25% did not pay timely. Avoid the fees!

"Why didn't I receive my 2017 excise bill?"

There are many reasons why you may not have received a Motor Vehicle Excise tax.

They may be any of the following:

1. The Registry of Motor Vehicles does not have your current mailing address.
www.massdot.state.ma.us/rmv
2. Your registration has expired.
3. You haven't been billed yet. (Note: Lawrence issues up to 12 motor vehicle excise commitments in a calendar year.)
4. The U.S. Postal Service has misplaced your bill.

For more information on Motor Vehicle Excise and Frequently Asked Questions, please visit the Assessors link on the City of Lawrence website at www.cityoflawrence.com.

HEALTHY LIFESTYLES

New Homeless Coordinator

Anil "Nilly" DaCosta

The City of Lawrence and the MHTF welcomes Anil "Nilly" DaCosta to the Office of Planning & Development team as the new Homelessness Initiatives Coordinator. Nilly has vast experience working with the homeless population, and has developed a deep understanding of the root causes that lead to homelessness. Nilly is familiar with the organizations and services that exist in the Lawrence area and beyond, to assist this population. His work with this community, coupled with his well-established connections and partnerships with relevant stakeholders, will help facilitate the coalition-building process and work necessary to create the innovative approaches needed to lead policy, systems and environmental changes that effectively address chronic homelessness in our City.

Community Health Panel

Pictured from left to right: Elicia Miller, Dr. Howard Koh, Vilma Martinez-Dominguez, and Dr. Vish Viswanath.

Vilma Martinez-Dominguez, MHTF Coordinator, was invited by Dr. Howard Koh, Harvey V. Fineberg Professor of the Practice of Public Health Leadership at Harvard T.H.Chan School of Public Health (HSPH), and Harvard Kennedy School, and Dr. K. "Vish" Viswanath, Lee Kum Kee Professor of Health Communication, also of HSPH, to participate in a Community Health Panel on Harvard Advanced Leadership Initiative Health Deep Dive two-day meeting. She talked about Lawrence's efforts to engage small businesses in the Lawrence Ciclovía (open streets) and the Healthy on the Block/Bodegas Saludables initiative, as part of their collective work to build a Culture of Health. It is part of a three year program funded by the Robert Wood Johnson Foundation, to strengthen the private sector's role in building a Culture of Health by convening thought leaders, investigating the meaning of leadership in context, and disseminating lessons learned.

LYC Upcoming trip and scholarships

In addition to volunteering at local outfits such as Cor Unum Meal Center, and at community efforts such as Earth Day, the Council has been working arduously on completing their short film, "What Is Education? Liberation through Creation", their WIE Bill of Rights for Education in Lawrence, and recently completed their mural. This group of aspiring advocates, are of the thinking that the education system as it stands, need to move at the same speed as other advances, such as those in technology and science. They believe more education should come through experience, and "hands on" opportunities, than currently exists. On May 4, the LYC will host a mural unveiling and launch the premiere of their video at the Lawrence Public Library, beginning at 6:00PM. On May 10, they will travel with their peers from Elevated Thought to the Department of Education, Washington, D.C., to present their work to staff and to learn how the Department's policies will be able to support their Bill, as well as potential challenges that may exist for their work. The group will do a final year in review presentation, at the MHTF General Meeting, on Tuesday, May 23, 2017, at 10:00AM.

"Beautifully written and brimming with insights, *Latino City* captures the remarkable story of New England's 'Latinization' in the late twentieth century. Chronicling how Dominicans and Puerto Ricans reinvigorated Lawrence, Massachusetts, after World War II, Barber foregrounds the ways in which U.S. imperialism in the Caribbean drove new demographic changes in that city and elsewhere. A terrific exploration of Latino struggles against deindustrialization, racial violence, and welfare reform as well as the creative ways in which residents of Lawrence remade urban spaces and fashioned new local and transnational politics, *Latino City* deserves wide attention by scholars and the general public."
 —Stephen Pitts, Yale University
